This Quarterly Report on Form 10-Q (this “Report”) contains “forward-looking statements” within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Except where the context otherwise requires or where otherwise indicated, the terms the “Company”, “Cadre”, “we,” “us,” and “our,” refer to the consolidated business of Cadre Holdings, Inc. and its consolidated subsidiaries. All statements in this Report, other than statements of historical fact, are forward-looking statements. These forward-looking statements are based on management’s current expectations, assumptions, hopes, beliefs, intentions, and strategies regarding future events and are based on currently available information as to the outcome and timing of future events. In some cases, you can identify forward-looking statements because they contain words such as “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect,” “should,” “would,” “could,” “plan,” “predict,” “potential,” “seem,” “seek,” “future,” “outlook,” or the negative of these words or other similar terms or expressions that concern our expectations, strategy, plans, or intentions. The Company cautions you that these forward-looking statements are subject to all of the risks and uncertainties, most of which are difficult to predict and many of which are beyond the control of the Company, incident to its business.

Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of our control. These forward-looking statements are based on information available as of the date of this Report (or, in the case of forward-looking statements incorporated herein by reference, if any, as of the date of the applicable filed document), and any accompanying supplement, and current expectations, forecasts and assumptions, and involve a number of risks and uncertainties. Accordingly, forward-looking statements should not be relied upon as representing the Company’s views as of any subsequent date, and the Company does not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date they were made, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. New risks and uncertainties emerge from time to time and it is not possible for us to predict all risks and uncertainties that could have an impact on the forward-looking statements contained in this Report. We cannot assure you that the results, events, and circumstances reflected in the forward-looking statements will be achieved or occur, and actual results, events, or circumstances could differ materially from those described in the forward-looking statements. We may not actually achieve the plans, intentions, or expectations disclosed in our forward-looking statements and you should not place undue reliance on our forward-looking statements. In addition, statements that “we believe” and similar statements reflect our beliefs and opinions on the relevant subject. Our forward-looking statements do not reflect the potential impact of any future acquisitions, partnerships, mergers, dispositions, joint ventures, or investments we may make.

As a result of a number of known and unknown risks and uncertainties, our actual results or performance may be materially different from those expressed or implied by these forward-looking statements. Some factors that could cause actual results to differ include:

- the availability of capital to satisfy our working capital requirements;
- anticipated trends and challenges in our business and the markets in which we operate;
- our ability to anticipate market needs or develop new or enhanced products to meet those needs;
- our expectations regarding market acceptance of our products;
- the success of competing products by others that are or become available in the market in which we sell our products;
- the impact of adverse publicity about the Company and/or its brands, including without limitation, through social media or in connection with brand damaging events and/or public perception;
- changes in political, economic or regulatory conditions generally and in the markets in which we operate;
- the impact of political unrest, natural disasters or other crises, terrorist acts, acts of war and/or military operations;
- our ability to maintain or broaden our business relationships and develop new relationships with strategic alliances, suppliers, customers, distributors or otherwise;
- our ability to retain and attract senior management and other key employees;

[Table of Contents](#)

- our ability to quickly and effectively respond to new technological developments;
- the effect of an outbreak of disease or similar public health threat, such as the COVID-19 pandemic, on the Company's business;
- logistical challenges related to supply chain disruptions and delays;
- the impact of inflationary pressures and our ability to mitigate such impacts with pricing and productivity;
- the possibility that the Company may be adversely affected by other economic, business, and/or competitive factors;
- the ability of our information technology systems or information security systems to operate effectively, including as a result of security breaches, viruses, hackers, malware, natural disasters, vendor business interruptions or other causes;
- our ability to properly maintain, protect, repair or upgrade our information technology systems or information security systems, or problems with our transitioning to upgraded or replacement systems;
- our ability to protect our trade secrets or other proprietary rights and operate without infringing upon the proprietary rights of others and prevent others from infringing on the proprietary rights of the Company;
- our ability to maintain a quarterly dividend;
- the expenses associated with being a public company, including but not limited to expenses associated with disclosure and reporting obligations;
- any material differences in the actual financial results of the Company's past and future acquisitions as compared with the Company's expectations; and
- other risks and uncertainties set forth in the section entitled "Risk Factors" of this Report, which are incorporated herein by reference.

We caution you that the foregoing list may not contain all of the forward-looking statements made in this Quarterly Report on Form 10-Q. Other risks and uncertainties are and will be disclosed in our prior and future filings with the Securities and Exchange Commission ("SEC") and this information should be read in conjunction with the Consolidated Financial Statements included in this Report.

The Company’s net proceeds from the sale of shares were \$46,988 after underwriter discounts and commissions, fees and expenses of \$2,715, of which \$2,000 was paid to Kanders & Company, Inc., a company controlled by Warren Kanders, our Chief Executive Officer.

Emerging Growth Company

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”). As such, we are eligible for exemptions from various reporting requirements applicable to other public companies that are not emerging growth companies, including, but not limited to, presenting only two years of audited financial statements, not being required to comply with the auditor attestation requirements of Section 404 of the Sarbanes-Oxley Act of 2002, reduced disclosure obligations regarding executive compensation, and an exemption from the requirements to obtain a non-binding advisory vote on executive compensation or golden parachute arrangements.

In addition, an emerging growth company can take advantage of an extended transition period for complying with new or revised accounting standards. This provision allows an emerging growth company to delay the adoption of certain accounting standards until those standards would otherwise apply to private companies. We have elected to avail ourselves of this provision of the JOBS Act. As a result, we will not be subject to new or revised accounting standards at the same time as other public companies that are not emerging growth companies. Therefore, our consolidated financial statements may not be comparable to those of companies that comply with new or revised accounting pronouncements as of public company effective dates.

Use of Estimates

The preparation of these consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Fair Value Measurements

The Company follows the guidance of Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurements and Disclosures*, which defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. This guidance also establishes the following three-level hierarchy based upon the transparency of inputs to the valuation of an asset or liability on the measurement date:

Level 1: Observable inputs that reflect unadjusted quoted prices for identical assets or liabilities traded in active markets.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3: Unobservable inputs that reflect assumptions about what market participants would use in pricing assets or liabilities based on the best information available.

The Company’s financial instruments consist principally of cash, accounts receivable, prepaid expenses, other current assets, accounts payable, accrued liabilities, income tax payable and debt. The carrying amounts of certain of these financial instruments, including cash, accounts receivable, prepaid expenses, other current assets, accounts payable, accrued liabilities and income tax payable approximate their current fair value due to the relatively short-term nature of these accounts.

The following table presents our fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis:

	June 30, 2023			December 31, 2022				
	Carrying Amount	Fair Value			Carrying Amount	Fair Value		
		Level 1	Level 2	Level 3		Level 1	Level 2	Level 3
Assets:								
Interest rate swap (Note 6)	\$ 9,098	\$ —	\$ 9,098	\$ —	\$ 8,985	\$ —	\$ 8,985	\$ —
Liabilities:								
Interest rate swap (Note 6)	96	—	96	—	—	—	—	—

There were no transfers of assets or liabilities between levels during the six months ended June 30, 2023 and 2022.

There has not been material changes in the fair value of debt (Level 2), as compared to the carrying value, during the period ended June 30, 2023.

Revenue Recognition

The Company derives revenue primarily from the sale of physical products. The Company recognizes revenue when a contract exists with a customer that specifies the goods and services to be provided at an agreed upon sales price and when the performance obligation is satisfied by transferring the goods or service to the customer. The performance obligation is considered satisfied when control transfers, which is generally determined when products are shipped or delivered to the customer but could be delayed until the receipt

CADRE HOLDINGS, INC.

(in thousands, except share and per share amounts)

of customer acceptance, depending on the terms of the contract. Sales are made on normal and customary short-term credit terms or upon delivery for point of sale transactions.

The Company enters into contractual arrangements primarily with customers in the form of individual customer orders which specify the goods, quantity, pricing, and associated order terms. The Company has some long-term contracts that may contain research and development performance obligations that are satisfied over time. The Company invoices the customer once the billing milestone is reached and collects under customary short-term credit terms. For long-term contracts, the Company recognizes revenue using the input method based on costs incurred, as this method is an appropriate measure of progress toward the complete satisfaction of the performance obligation. Due to uncertainties inherent in the estimation process, it is possible that estimates of costs to complete a performance obligation will be revised in the near-term. For those performance obligations for which revenue is recognized using a cost-to-cost input method, changes in total estimated costs, and related progress towards complete satisfaction of the performance obligation, are recognized on a cumulative catch-up basis in the period in which the revisions to the estimates are made. When the current estimate of total costs for a performance obligation indicates a loss, a provision for the entire estimated loss on the unsatisfied performance obligation is made in the period in which the loss becomes evident.

At the time of revenue recognition, the Company also provides for estimated sales returns and miscellaneous claims from customers as reductions to revenues. The estimates are based on historical rates of product returns and claims. The Company accrues for such estimated returns and claims with an estimated accrual and associated reduction of revenue. Additionally, the Company records inventory that it expects to be returned as part of inventories, with a corresponding reduction to cost of goods sold.

Charges for shipping and handling fees billed to customers are included in net sales and the corresponding shipping and handling expenses are included in cost of goods sold in the accompanying consolidated statements of operations and comprehensive income (loss). We consider our costs related to shipping and handling after control over a product has transferred to a customer to be a cost of fulfilling the promise to transfer the product to the customer.

Sales commissions paid to employees as compensation are expensed as incurred for contracts with service periods less than a year. For contracts with service periods greater than a year, these costs are capitalized and amortized over the life of the contract. These costs are recorded in selling, general and administrative expenses in the Company's consolidated statements of operations and comprehensive income (loss).

Product Warranty

Some of the Company's manufactured products carry limited warranty provisions for defects in quality and workmanship. A warranty reserve is established at the time of sale to cover estimated costs based on the Company's history of warranty repairs and replacements, and is recorded in cost of goods sold in the Company's consolidated statements of operations and comprehensive income (loss).

The following table sets forth the changes in the Company's accrued warranties, which is recorded in accrued liabilities in the consolidated balance sheets:

Net Income (Loss) per Share

Basic income or loss per share is computed by dividing net income (loss) by the weighted average number of common shares outstanding during the periods presented. Diluted income or loss per share is calculated by adjusting weighted average shares outstanding for the dilutive effect of potential common shares, determined using the treasury-stock method. The calculation of weighted average shares outstanding and net income (loss) per share are as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2023	2022	2023	2022
Net income (loss)	\$ 10,992	\$ 4,445	\$ 17,994	\$ (5,720)
Weighted average shares outstanding - basic	37,586,031	35,320,314	37,480,367	34,888,703
Effect of dilutive securities:				
Stock-based awards	264,677	368,306	278,631	—
Weighted average shares outstanding - diluted	37,850,708	35,688,620	37,758,998	34,888,703
Net income (loss) per share:				
Basic	\$ 0.29	\$ 0.13	\$ 0.48	\$ (0.16)
Diluted	\$ 0.29	\$ 0.12	\$ 0.48	\$ (0.16)

For the six months ended June 30, 2022, 3,121 restricted stock awards were excluded from diluted weighted average shares outstanding because the impact would be anti-dilutive due to a net loss in the period.

Recent Accounting Pronouncements

Recently Adopted Accounting Pronouncements

In June 2016, the FASB issued ASU 2016-13, *Financial Instruments — Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*. ASU 2016-13 includes an impairment model (known as the current expected credit loss model) that is based on expected losses rather than incurred losses. Under the new guidance, an entity recognizes as an allowance its estimate of expected credit losses, which the FASB believes will result in more timely recognition of such losses. The use of forecasted information is intended to incorporate more timely information in the estimate of expected credit loss. In November 2019, the FASB issued additional guidance which extends the effective date of ASU 2016-13 for emerging growth companies to begin in fiscal years beginning after December 15, 2022. The Company adopted this standard on January 1, 2023. The adoption of this ASU did not have a material impact on our consolidated financial statements and disclosures.

In March 2020, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2020-04, Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting and related amendments. This ASU provides temporary optional expedients and exceptions to existing guidance on contract modifications and hedge accounting to facilitate the market transition from existing reference rates, such as the London Inter-Bank Offered Rate (“LIBOR”) which began to be phased out in 2021, to alternate reference rates, such as the Secured Overnight Financing Rate (“SOFR”). On May 31, 2023, the Company amended our 2021 credit agreement and interest rate swap agreements to affect the transition from LIBOR to SOFR. In connection with these amendments, the Company adopted ASU 2020-04 in the second quarter of 2023. In doing so, the Company elected to adopt the suite of optional expedients when analyzing the amendment to the credit agreement and related interest swaps. As such, the amendments to the Company’s 2021 credit agreement and swap agreements, and the adoption of this ASU did not have a material impact on our consolidated financial statements and disclosures.

Contract liabilities are reversed into revenue when the performance obligation is satisfied. Contract liabilities are included in accrued liabilities in the Company's consolidated balance sheets and totaled \$5,633 and \$4,615 as of June 30, 2023 and December 31, 2022, respectively. Remaining Performance Obligations

As of June 30, 2023, we had \$12,238 of remaining unfulfilled performance obligations, which included amounts that will be invoiced and recognized in future periods. The remaining performance obligations are limited only to arrangements that meet the definition of a contract under ASC Topic 606, *Revenue from Contracts with Customers*, as of June 30, 2023. We expect to recognize approximately 86% of this balance over the next twelve months and expect the remainder to be recognized in the following two years.

2021 Credit Facility

On August 20, 2021 (the “Closing Date”), the Company refinanced its existing credit facilities and entered into a new credit agreement whereby Safariland, LLC, as borrower (the “Borrower”), the Company and certain domestic subsidiaries of the Borrower, as guarantors (the “Guarantors”), closed on and received funding under a credit agreement (initially entered into on July 23, 2021), pursuant to a First Amendment to Credit Agreement (collectively, the “2021 Credit Agreement”) with PNC Bank, National Association (“PNC”), as administrative agent, and the several lenders from time to time party thereto (together with PNC, the “Lenders”) pursuant to which the Borrower (i) borrowed \$200,000 under a term loan (the “Term Loan”), and (ii) may borrow up to \$100,000 under a revolving credit facility (including up to \$15,000 for letters of credit and up to \$10,000 for swing line loans) (the “Revolving Loan”). Each of the Term Loan and the Revolving Loan mature on July 23, 2026. Commencing December 31, 2021, the Term Loan requires scheduled quarterly payments in amounts equal to 1.25% per quarter of the original aggregate principal amount of the Term Loan, with the balance due at maturity. The 2021 Credit Agreement is guaranteed, jointly and severally, by the Guarantors and, subject to certain exceptions, secured by a first-priority security interest in substantially all of the assets of the Borrower and the Guarantors pursuant to a Security and Pledge Agreement and a Guaranty and Suretyship Agreement, each dated as of the Closing Date.

There were no amounts outstanding under the Revolving Loan as of June 30, 2023 and December 31, 2022. As of June 30, 2023, there were \$2,629 in outstanding letters of credit and \$97,371 of availability.

The Borrower may elect to have the Revolving Loan and Term Loan under the 2021 Credit Agreement bear interest at a base rate or LIBOR, in each case, plus an applicable margin. However, in connection with the market transition away from applicable LIBOR rates to SOFR, on May 31, 2023, the Company, the Borrowers and the Lenders entered into the third amendment to the 2021 Credit Agreement (the “Third Amendment”) pursuant to which the 2021 Credit Agreement was amended to implement the SOFR rates. The applicable margin for these borrowings ranges from 0.50% to 1.50% per annum, in the case of base rate borrowings, and 1.50% to 2.50% per annum, in the case of SOFR (and prior to May 31, 2023, on LIBOR) borrowings, in each case based upon the level of the Company’s consolidated total net leverage ratio. The 2021 Credit Agreement also requires the Borrower to pay a commitment fee on the unused portion of the loan commitments. Such commitment fee ranges between 0.175% and 0.25% per annum, and is also based upon the level of the Company’s consolidated total net leverage ratio. The 2021 Credit Agreement also contains customary representations and warranties, and affirmative and negative covenants, including limitations on additional indebtedness, dividends, and other distributions, entry into new lines of business, use of loan proceeds, capital expenditures, restricted payments, restrictions on liens on the assets of the Borrowers or any Guarantor, transactions with affiliates, amendments to organizational documents, accounting changes, sale and leaseback transactions, dispositions, and mandatory prepayments in connection with certain liquidity events. The 2021 Credit Agreement contains certain restrictive debt covenants, which require us to: (i) maintain a minimum fixed charge coverage ratio of 1.25 to 1.00, starting with the quarter ended December 31, 2021, which is to be determined for each quarter end on a trailing four quarter basis and (ii) maintain a quarterly maximum consolidated total net leverage ratio of 3.75 to 1.00 from the quarter ended December 31, 2022 until the quarter ended June 30, 2023, and thereafter 3.50 to 1.00, which is in each case to be determined on a trailing four quarter basis; provided that under certain circumstances and subject to certain limitations, in the event of a material acquisition, we may temporarily increase the consolidated total net leverage ratio by up to 0.50 to 1.00 for four fiscal quarters following such acquisition. The 2021 Credit Agreement contains customary events of default that include, among others, non-payment of principal, interest or fees, violation of covenants, inaccuracy of representations and warranties, failure to make payment on, or defaults with respect to, certain other material

indebtedness, bankruptcy and insolvency events, material judgments and change of control provisions. Upon the occurrence of an event of default, and after the expiration of any applicable grace period, payment of any outstanding loans under the 2021 Credit Agreement may be accelerated and the Lenders could foreclose on their security interests in the assets of the Borrowers and the Guarantors.

Canadian Credit Facility

On October 14, 2021, Med-Eng Holdings ULC and Pacific Safety Products Inc., the Company's Canadian subsidiaries, as borrowers (the "Canadian Borrowers"), and Safariland, LLC, as guarantor (the "Canadian Guarantor"), closed on a line of credit pursuant to a Loan Agreement (the "Canadian Loan Agreement") and a Revolving Line of Credit Note (the "Note") with PNC Bank Canada Branch ("PNC Canada"), as lender pursuant to which the Canadian Borrowers may borrow up to CDN\$10,000 under a revolving line of credit (including up to \$3,000 for letters of credit) (the "Revolving Canadian Loan"). The Revolving Canadian Loan matures on July 23, 2026. The Canadian Loan Agreement is guaranteed by the Canadian Guarantor pursuant to a Guaranty and Suretyship Agreement (the "Canadian Guaranty Agreement").

The Canadian Borrowers may elect to have borrowings either in United States dollars or Canadian dollars under the Canadian Loan Agreement, which will bear interest at a base rate or LIBOR, in each case, plus an applicable margin, in the case of borrowings in United States dollars, or at a Canadian Prime Rate (as announced from time to time by PNC Canada) or a Canadian deposit offered rate ("CDOR") as determined from time to time by PNC Canada in accordance with the Canadian Loan Agreement. The applicable margin for these borrowings range from 0.50% to 1.50% per annum, in the case of base rate borrowings and Canadian Prime Rate borrowings, and 1.50% to 2.50% per annum, in the case of LIBOR borrowings and CDOR borrowings. The Canadian Loan Agreement also requires the Canadian Borrowers to pay (i) an unused line fee on the unused portion of the loan commitments in an amount ranging between 0.175% and 0.25% per annum, based upon the level of the Company's consolidated total net leverage ratio, and (ii) an upfront fee equal to 0.25% of the principal amount of the Note.

There were no amounts outstanding under the Revolving Canadian Loan as of June 30, 2023 and December 31, 2022.

The Canadian Loan Agreement also contains customary representations and warranties, and affirmative and negative covenants, including, among others, limitations on additional indebtedness, entry into new lines of business, entry into guarantee agreements, making of any loans or advances to, or investments in, any other person, restrictions on liens on the assets of the Canadian Borrowers and mergers, transfers of assets and acquisitions. The Canadian Loan Agreement and Note also contain customary events of default that include, among others, non-payment of principal, interest or fees, violation of covenants, inaccuracy of representations and warranties, failure to make payment on, or defaults with respect to, certain other material indebtedness, bankruptcy and insolvency events, material judgments and change of control provisions.

Upon the occurrence of an event of default, and after the expiration of any applicable grace period, payment of any outstanding loans under the Canadian Loan Agreement may be accelerated.

Interest Rate Swaps

We entered into interest rate swap agreements to hedge forecasted monthly interest rate payments on our floating rate debt. As of June 30, 2023, we had the following interest rate swap agreements (the "Swap Agreements"):

Effective Date	Notional Amount	Fixed Rate
September 30, 2021 through July 23, 2026	\$ 100,000	0.812 %
May 31, 2023 through July 23, 2026	\$ 50,000	3.905 %

On May 31, 2023, concurrent with the third amendment to the 2021 Credit Agreement, we amended our \$100,000 notional amount swap agreement to reflect the change from LIBOR to SOFR. In addition, we entered into an additional \$50,000 notional amount interest

CADRE HOLDINGS, INC.

(in thousands, except share and per share amounts)

rate swap to further mitigate our interest rate exposure on our floating rate debt. Under the terms of the Swap Agreements, we receive payments based on the 1-month SOFR (5.16% as of June 30, 2023).

During the six months ended June 30, 2023, there were no interest rate swap agreements that expired.

We designated the Swap Agreements as cash flow hedges. A portion of the amount included in accumulated other comprehensive income is reclassified into interest expense, net as a yield adjustment as interest is either paid or received on the hedged debt. The fair value of our Swap Agreements is based upon Level 2 inputs. We have considered our own credit risk and the credit risk of the counterparties when determining the fair value of our Swap Agreements.

It is our policy to execute such instruments with creditworthy banks and not to enter into derivative financial instruments for speculative purposes. We believe our interest rate swap counterparty will be able to fulfill their obligations under our agreements, and we believe we will have debt outstanding through the expiration date of the swap agreements such that the occurrence of future cash flow hedges remains probable.

The estimated fair value of our Swap Agreements in the consolidated balance sheets was as follows:

Balance Sheet Accounts	June 30, 2023	December 31, 2022
Other current assets	\$ 4,499	\$ 3,619
Other assets	\$ 4,599	\$ 5,366
Other liabilities	\$ 96	\$ —

A cumulative gain, net of tax, of \$6,507 and \$6,739 as of June 30, 2023 and December 31, 2022, respectively, is recorded in accumulated other comprehensive income.

The amount of gain, net of tax, recognized in other comprehensive income (loss) for the three months ended June 30, 2023 and 2022 was \$1,576 and \$987, respectively. There was a gain, net of tax, of \$735 and a loss, net of tax, of \$15 reclassified from accumulated other comprehensive income into earnings for the three months ended June 30, 2023 and 2022, respectively.

The amount of gain, net of tax, recognized in other comprehensive income (loss) for the six months ended June 30, 2023 and 2022 was \$1,150 and \$4,064, respectively. There was a gain, net of tax, of \$1,382 and a loss, net of tax, of \$146 reclassified from accumulated other comprehensive income into earnings for the six months ended June 30, 2023 and 2022, respectively.

As of June 30, 2023, approximately \$4,416 is expected to be reclassified from accumulated other comprehensive income into interest expense over the next 12 months.

7. COMMITMENTS AND CONTINGENCIES

Legal Proceedings

In September 2021, Safariland, LLC, a wholly-owned subsidiary of the Company, received a jury verdict awarding \$7,500 to a plaintiff relating to a personal injury case wherein the plaintiff alleged various product liability claims against Safariland, LLC. The plaintiff in the proceeding, Mr. David Hakim, instituted the proceeding on July 24, 2015, through the filing of a complaint with the United States District Court, Northern District of Illinois, Eastern Division. In the proceeding, the plaintiff, a SWAT officer with the DuPage County Sheriff's Office ("DCSO"), alleged that he suffered injuries during a training exercise conducted by DCSO in which a Defense Technology Shotgun Breaching TKO round was deployed and passed through a door and lower-floor ceiling causing a fragment to strike plaintiff's back resulting in injury. Prior to the jury rendering its verdict, the court deferred ruling on Safariland, LLC's Motion for Judgment as a Matter of Law ("JMOL"). On November 8, 2021, Safariland, LLC filed its post-trial motions, including a supplemental JMOL, motion for new trial and remittitur. On April 18, 2022, the court denied Safariland, LLC's JMOL, motion for new trial and

remittitur and, accordingly, entered a judgment in favor of plaintiff, David Hakim, as to the Third Claim. In response, Safariland, LLC timely filed its notice of appeal with the United States Court of Appeals for the Seventh Circuit. Safariland and Plaintiff have filed their appeal briefs, and oral arguments were held on October 25, 2022. A decision from the Seventh Circuit Court of Appeals remains pending. While any litigation contains an element of uncertainty, the Company believes it is reasonably possible, not probable, that the Company could incur losses related to this case, however, any losses would be indemnified by our insurance carrier under applicable policies.

The Company is also involved in various legal disputes and other legal proceedings and claims that arise from time to time in the ordinary course of business. The Company vigorously defends itself against all lawsuits and evaluates the amount of reasonably possible losses that the Company could incur as a result of these matters. While any litigation contains an element of uncertainty, the Company believes that the reasonably possible losses that the Company could incur in excess of insurance coverage would not have a material adverse effect on the Company's consolidated financial position, results of operations, or liquidity.

Insurance

The Company has various insurance policies, including product liability insurance, covering risks and in amounts it considers adequate. There can be no assurance that the insurance coverage maintained by the Company is sufficient or will be available in adequate amounts or at a reasonable cost.

International

As an international company, we are, from time to time, the subject of investigations relation to the Company's international operations, including under U.S. export control laws (such as ITAR), the FCPA and other similar U.S. and international laws. To the best of the Company's knowledge, there are not any potential or pending investigations at this time.

8. INCOME TAXES

The Company and its subsidiaries file income tax returns in the U.S. federal, various state and local, and certain foreign jurisdictions. As of June 30, 2023, the Company's tax years subsequent to 2016 are subject to examination by tax authorities with few exceptions. The 2018 and 2019 tax returns of a separate Canadian subsidiary of the Company are currently under examination by the Canadian Revenue Agency.

The Company's effective tax rate was 27.8% and 25.4% for the three months ended June 30, 2023 and 2022, respectively, and 28.5% and 44.0% for the six months ended June 30, 2023 and 2022, respectively. Our effective tax rate for the three and six months ended June 30, 2023 and 2022 differs from our statutory rate primarily due to state taxes and executive compensation, partially offset by research and development tax credits.

9. COMPENSATION PLANS

Long-Term Incentive Plan

In March 2021, the Company initiated a cash-based long-term incentive plan. Each award granted under the plan shall be eligible to vest in three equal annual installments over a period of three consecutive one-year performance periods, with each installment of the award vesting on the last day of the applicable performance period, subject to the achievement of the performance metrics established by the board of directors for the applicable annual performance period. Compensation expense related to this plan was \$160 and \$174 for the three months ended June 30, 2023 and 2022, respectively, and \$304 and \$558 for the six months ended June 30, 2023 and 2022, respectively, and is included in selling, general and administrative in the Company's consolidated statements of operations and comprehensive income (loss).

CADRE HOLDINGS, INC.

(Unaudited)
(in thousands, except share and per share amounts)

On March 9, 2022, the Company's board of directors approved the common stock settlement of vested awards of the long-term incentive plan. The board of directors also approved the future settlement of unvested awards in common stock. Modification accounting was not applied as this change did not affect the fair value of the awards, vesting conditions, or the liability classification of the awards.

Executive Compensation Plan

The Company maintains a cash-based executive compensation plan for certain employees. The Company's board of directors awarded 1,433,500 interests in the plan ("units"). Each unit represents an unfunded and unsecured right, subject to certain conditions as set forth by the plan. One-third of the units granted to any holder vest on each of the first, second, and third anniversaries of March 18, 2021 during the term of such holder's employment with the Company. Payment of a holder's vested balance is dependent upon a transaction or series of related transactions constituting a qualifying exit event, as defined by the executive compensation plan. The plan will expire on March 18, 2025, at which time the plan and all awarded units will be terminated for no consideration if a qualifying exit event has not occurred before that date. If a qualifying exit event becomes probable, the fair value of the units would be the closing stock price of the Company on the day the qualifying exit event becomes probable and compensation expense would be recognized at that time.

On March 9, 2022, the Company's board of directors modified the performance condition, specifically the definition of a qualifying exit event, in the cash-based executive compensation plan. In addition, the board of directors approved the settlement of the majority of vested and unvested units in common stock rather than cash, which resulted in a change in classification of those outstanding units from liability to equity. As a result, modification of the units occurred on March 9, 2022 with a grant date fair value of \$23.45, the closing stock price of the Company on the date of modification. There were 632,500 units that vested on March 18, 2022 and 801,000 units that vest in equal amounts on the second and third anniversaries of the plan. The Company recognized compensation expense of \$22,100 in selling, general and administrative in the Company's consolidated statements of operations and comprehensive income (loss) on the modification date. Unrecognized compensation expense related to the unvested units was \$11,516 as of the modification date.

10. LEASES

The Company leases certain manufacturing and office space, retail locations, and equipment. Operating lease assets and liabilities are recognized at the commencement date based on the present value of lease payments over the lease term. The Company has elected not to recognize a lease liability or right-of-use ("ROU") asset for short-term leases (leases with a term of twelve months or less). The Company uses its incremental borrowing rate based on the information available at the commencement date in determining the present value of lease payments. The Company's incremental borrowing rate is the rate for collateralized borrowings based on the current economic environment, credit history, credit rating, value of leases, currency in which the lease obligation is satisfied, rate sensitivity, lease term and materiality. Our operating leases have remaining contractual terms of up to five years, some of which include options to extend the leases for up to five years.

The amount of assets and liabilities related to our operating leases were as follows:

	Balance Sheet Accounts	June 30, 2023	December 31, 2022

(1) Adjusted EBITDA is a non-GAAP financial measure. See “*Non-GAAP Measures*” below for our definition of, and additional information about, Adjusted EBITDA, and for a reconciliation to net income (loss), the most directly comparable U.S. GAAP financial measure.

Net sales increased by \$2.9 million for the three months ended June 30, 2023 as compared to the three months ended June 30, 2022, primarily as a result of the Cyalume acquisition, armor and holster volume, and agency demand for hard goods, partially offset by a decrease from several large explosive ordinance disposal orders fulfilled in the prior year. Net sales increased by \$10.2 million for the six months ended June 30, 2023 as compared to the six months ended June 30, 2022, primarily as a result of recent acquisitions, armor and holster volume, and agency demand for hard goods, partially offset by a decrease from several large explosive ordinance disposal orders fulfilled in the prior year.

Net income increased by \$6.5 million for the three months ended June 30, 2023 as compared to the three months ended June 30, 2022, primarily as a result of an increase in gross profit and the Cyalume acquisition. Net income increased by \$23.7 million for the six months ended June 30, 2023 as compared to the six months ended June 30, 2022, primarily as a result of recent acquisitions, an increase in net sales, an increase in gross profit margin, and a decrease in stock compensation expense.

Secondary Offering

On June 9, 2022, the Company completed a secondary offering in which the Company issued and sold 2,250,000 shares of common stock at a price of \$23.50 per share. The Company’s net proceeds from the sale of shares were \$47.0 million after underwriter discounts and commissions, fees and expenses of \$2.7 million, of which \$2.0 million was paid to Kandors & Company, Inc., a company controlled by Warren Kandors, our Chief Executive Officer.

On July 14, 2022, the underwriters exercised a portion of their over-allotment option and purchased an additional 300,000 shares of common stock at a price of \$23.50 per share, resulting in net proceeds to the Company of \$6.6 million after underwriter discounts and commissions, fees and expenses of \$0.4 million.

KEY PERFORMANCE METRICS

Orders backlog

We monitor our orders backlog, which we believe is a forward-looking indicator of potential sales. Our orders backlog for products includes all orders that have been received and are believed to be firm. Due to municipal government procurement rules, in certain cases orders included in backlog are subject to budget appropriation or other contract cancellation clauses. Consequently, our orders backlog may differ from actual future sales. Orders backlog can be helpful to investors in evaluating the performance of our business and identifying trends over time.

The following table presents our orders backlog as of the periods indicated:

(in thousands)	June 30, 2023	December 31, 2022
Orders backlog	\$ 133,180	\$ 117,873

CADRE HOLDINGS, INC.
MANAGEMENT DISCUSSION AND ANALYSIS
(in thousands, except share and per share amounts)

Orders comprising backlog as of a given balance sheet date are typically invoiced in subsequent periods. The majority of our products are generally processed and shipped within one to three weeks of an order being placed, though the fulfillment time for certain products, for example, explosive ordnance disposal equipment, may take three months or longer. Our orders backlog could experience volatility between periods, including as a result of customer order volumes and the speed of our order fulfilment, which in turn may be impacted by the nature of products ordered, the amount of inventory on hand and the necessary manufacturing lead time.

Orders backlog increased by \$15.3 million as of June 30, 2023 compared to December 31, 2022, primarily due to increases of \$13.1 million from higher demand for armor products, \$3.7 million from large international orders for crowd control products, \$2.0 million from the timing of large international holster orders, \$1.4 million from large U.S. government orders for structural armor, and \$0.6 million from higher demand for explosive ordnance disposal products, partially offset by reductions of \$3.8 million from the Distribution segment and \$2.8 million from chemiluminescent payloads.

RESULTS OF OPERATIONS

In order to reflect the way our chief operating decision maker reviews and assesses the performance of the business, Cadre has determined that it has two reportable segments — the Product segment and the Distribution segment. Segment information is consistent with how the chief operating decision maker, our chief executive officer, reviews the business, makes investing and resource allocation decisions and assesses operating performance.

The following table presents data from our results of operations for the three and six months ended June 30, 2023 and 2022 (in thousands unless otherwise noted):

NON-GAAP MEASURES

This Quarterly Report on Form 10-Q includes EBITDA and Adjusted EBITDA, which are non-GAAP financial measures that we use to supplement our results presented in accordance with U.S. GAAP. EBITDA is defined as net income before depreciation and amortization expense, interest expense and provision (benefit) for income tax. Adjusted EBITDA represents EBITDA that excludes restructuring and transaction costs, other (income) expense, net, stock-based compensation expense, stock-based compensation payroll tax expense, long-term incentive plan (“LTIP”) bonus and amortization of inventory step-up as these items do not represent our core operating performance.

EBITDA and Adjusted EBITDA are performance measures that we believe are useful to investors and analysts because they illustrate the underlying financial and business trends relating to our core, recurring results of operations and enhance comparability between periods. Adjusted EBITDA is considered by our board of directors and management as an important factor in determining performance-based compensation.

EBITDA and Adjusted EBITDA are not recognized measures under U.S. GAAP and are not intended to be a substitute for any U.S. GAAP financial measure and, as calculated, may not be comparable to other similarly-titled measures of performance of other companies. Investors should exercise caution in comparing our non-GAAP measures to any similarly titled measures used by other companies. These non-GAAP financial measures exclude certain items required by U.S. GAAP and should not be considered as alternatives to information reported in accordance with U.S. GAAP.

The table below presents our EBITDA and Adjusted EBITDA reconciled to the most comparable GAAP financial measures for the periods indicated:

LIQUIDITY AND CAPITAL RESOURCES

Liquidity refers to our ability to generate sufficient cash flows to meet the cash requirements of our business operations, including working capital needs, capital expenditures, debt service, acquisitions and other commitments. Our principal sources of liquidity have been cash provided by operating activities, cash on hand and amounts available under our revolving loans.

For the six months ended June 30, 2023, net cash provided from operating activities totaled \$28.3 million and as of June 30, 2023, cash and cash equivalents totaled \$55.8 million. We believe that our cash flows from operations and cash on hand, and available borrowing capacity under our existing credit facilities (as described below) will be adequate to meet our liquidity requirements for at least the 12 months following the date of this Quarterly Report on Form 10-Q. Our future capital requirements will depend on several factors, including future acquisitions and investments in our manufacturing facilities and equipment. We could be required, or could elect, to seek additional funding through public or private equity or debt financings; however, additional funds may not be available on terms acceptable to us, if at all.

Debt

As of June 30, 2023 and December 31, 2022, we had \$142.7 million and \$149.7 million in outstanding debt, net of debt discounts and debt issuance costs, respectively, primarily related to the term loan facilities.

2021 Credit Agreement

On August 20, 2021 (the "Closing Date"), the Company refinanced its existing credit facilities and entered into a new credit agreement whereby Safariland, LLC, as borrower (the "Borrower"), the Company and certain domestic subsidiaries of the Borrower, as guarantors (the "Guarantors"), closed on and received funding under a credit agreement (initially entered into on July 23, 2021), pursuant to a First Amendment to Credit Agreement (collectively, the "2021 Credit Agreement") with PNC Bank, National Association ("PNC"), as administrative agent, and the several lenders from time to time party thereto (together with PNC, the "Lenders") pursuant to which the Borrower (i) borrowed \$200.0 million under a term loan (the "Term Loan"), and (ii) may borrow up to \$100.0 million under a revolving credit facility (including up to \$15.0 million for letters of credit and up to \$10.0 million for swing line loans) (the "Revolving Loan"). Each of the Term Loan and the Revolving Loan mature on July 23, 2026. Commencing December 31, 2021, the New Term Loan requires scheduled quarterly payments in amounts equal to 1.25% per quarter of the original aggregate principal amount of the Term Loan, with the balance due at maturity. The 2021 Credit Agreement is guaranteed, jointly and severally, by the Guarantors and, subject to certain exceptions, secured by a first-priority security interest in substantially all of the

(in thousands, except share and per share amounts)

assets of the Borrower and the Guarantors pursuant to a Security and Pledge Agreement and a Guaranty and Suretyship Agreement, each dated as of the Closing Date.

There were no amounts outstanding under the Revolving Loan as of June 30, 2023 and December 31, 2022. As of June 30, 2023, there were \$2.6 million in outstanding letters of credit and \$97.4 million of availability.

The Borrower may elect to have the Revolving Loan and Term Loan under the 2021 Credit Agreement bear interest at a base rate or LIBOR, in each case, plus an applicable margin. However, in connection with the market transition away from applicable LIBOR rates to SOFR, on May 31, 2023, the Company, the Borrowers and the Lenders entered into the third amendment to the 2021 Credit Agreement (the “Third Amendment”) pursuant to which the 2021 Credit Agreement was amended to implement the SOFR rates. The applicable margin for these borrowings ranges from 0.50% to 1.50% per annum, in the case of base rate borrowings, and 1.50% to 2.50% per annum, in the case of SOFR (and prior to May 31, 2023, on LIBOR) borrowings, in each case based upon the level of the Company’s consolidated total net leverage ratio.

The 2021 Credit Agreement also contains customary representations and warranties, and affirmative and negative covenants, including limitations on additional indebtedness, dividends, and other distributions, entry into new lines of business, use of loan proceeds, capital expenditures, restricted payments, restrictions on liens on the assets of the Borrowers or any Guarantor, transactions with affiliates, amendments to organizational documents, accounting changes, sale and leaseback transactions, dispositions, and mandatory prepayments in connection with certain liquidity events. The 2021 Credit Agreement contains certain restrictive debt covenants, which require us to: (i) maintain a minimum fixed charge coverage ratio of 1.25 to 1.00, starting with the quarter ended December 31, 2021, which is to be determined for each quarter end on a trailing four quarter basis and (ii) maintain a quarterly maximum consolidated total net leverage ratio of 3.75 to 1.00 from the quarter ended December 31, 2021 until the quarter ended September 30, 2022, and thereafter 3.50 to 1.00, which is in each case to be determined on a trailing four quarter basis; provided that under certain circumstances and subject to certain limitations, in the event of a material acquisition, we may temporarily increase the consolidated total net leverage ratio by up to 0.50 to 1.00 for four fiscal quarters following such acquisition. The 2021 Credit Agreement contains customary events of default that include, among others, non-payment of principal, interest or fees, violation of covenants, inaccuracy of representations and warranties, failure to make payment on, or defaults with respect to, certain other material indebtedness, bankruptcy and insolvency events, material judgments and change of control provisions. Upon the occurrence of an event of default, and after the expiration of any applicable grace period, payment of any outstanding loans under the 2021 Credit Agreement may be accelerated and the Lenders could foreclose on their security interests in the assets of the Borrowers and the Guarantors. As of August 4, 2023, there were no amounts outstanding under the Revolving Loan.

The foregoing description of the 2021 Credit Agreement, as amended, does not purport to be complete and is qualified in its entirety by reference to Exhibits [10.15](#), [10.16](#) and [10.17](#) to our Annual Report on Form 10-K for the year ended December 31, 2022 as well to Exhibit [10.1](#) attached to this Quarterly Report on Form 10-Q, and are incorporated herein by reference as though fully set forth herein.

Canadian Credit Facility

On October 14, 2021, Med-Eng Holdings ULC and Pacific Safety Products Inc., the Company’s Canadian subsidiaries, as borrowers (the “Canadian Borrowers”), and Safariland, LLC, as guarantor (the “Canadian Guarantor”), closed on a line of credit pursuant to a Loan Agreement (the “Canadian Loan Agreement”) and a Revolving Line of Credit Note (the “Note”) with PNC Bank Canada Branch (“PNC Canada”), as lender pursuant to which the Canadian Borrowers may borrow up to CDN\$10.0 million under a revolving line of credit (including up to \$3.0 million for letters of credit) (the “Revolving Canadian Loan”). The Revolving Canadian Loan matures on July 23, 2026. The Canadian Loan Agreement is guaranteed by the Canadian Guarantor pursuant to a Guaranty and Suretyship Agreement.

The Canadian Borrowers may elect to have borrowings either in United States dollars or Canadian dollars under the Canadian Loan Agreement, which will bear interest at a base rate or LIBOR, in each case, plus an applicable margin, in the case of borrowings in United States dollars, or at a Canadian Prime Rate (as announced from time to time by PNC Canada) or a Canadian deposit offered

rate (“CDOR”) as determined from time to time by PNC Canada in accordance with the Canadian Loan Agreement. The applicable margin for these borrowings will range from 0.50% to 1.50% per annum, in the case of base rate borrowings and Canadian Prime Rate borrowings, and 1.50% to 2.50% per annum, in the case of LIBOR borrowings and CDOR borrowings. The Canadian Loan Agreement also requires the Canadian Borrowers to pay (i) an unused line fee on the unused portion of the loan commitments in an amount ranging between 0.175% and 0.25% per annum, based upon the level of the Company’s consolidated total net leverage ratio, and (ii) an upfront fee equal to 0.25% of the principal amount of the Note.

There were no amounts outstanding under the Revolving Canadian Loan as of June 30, 2023.

The Canadian Loan Agreement also contains customary representations and warranties, and affirmative and negative covenants, including, among others, limitations on additional indebtedness, entry into new lines of business, entry into guarantee agreements, making of any loans or advances to, or investments in, any other person, restrictions on liens on the assets of the Canadian Borrowers and mergers, transfers of assets and acquisitions. The Canadian Loan Agreement and Note also contain customary events of default that include, among others, non-payment of principal, interest or fees, violation of covenants, inaccuracy of representations and warranties, failure to make payment on, or defaults with respect to, certain other material indebtedness, bankruptcy and insolvency events, material judgments and change of control provisions. Upon the occurrence of an event of default, and after the expiration of any applicable grace period, payment of any outstanding loans under the Canadian Loan Agreement may be accelerated. As of August 4, 2023, there were no amounts outstanding under the Revolving Canadian Loan.

The foregoing description of the Canadian Loan Agreement does not purport to be complete and is qualified in its entirety by reference to the Canadian Loan Agreement, which is Exhibit [10.18](#) to our Annual Report on Form 10-K for the year ended December 31, 2022, and is incorporated herein by reference as though fully set forth herein.

Changes in operating assets and liabilities were primarily driven by a decrease in accounts receivable of \$7.6 million, an increase in inventories of \$12.0 million and a decrease in prepaid expenses and other assets of \$3.4 million.

During the six months ended June 30, 2022, net cash provided by operating activities of \$25.0 million resulted primarily from net loss of \$10.2 million, a \$26.3 million add back to net loss for stock-based compensation, a \$7.4 million add back to net loss for depreciation and amortization and changes in operating assets and liabilities of \$4.6 million. Changes in operating assets and liabilities were primarily driven by an increase in accounts receivable of \$3.2 million, a decrease in prepaid expenses and other assets of \$3.6 million and a decrease in accounts payable and other liabilities of \$3.5 million.

(in thousands, except share and per share amounts)

Net cash used in investing activities

During the six months ended June 30, 2023, we used \$2.2 million of cash in investing activities, primarily consisting of \$2.4 million for purchases of property and equipment.

During the six months ended June 30, 2022, we used \$57.5 million of cash in investing activities, consisting of \$19.4 million for the acquisition of Radar, \$35.7 for the acquisition of Cyalume and \$2.5 million for purchases of property and equipment.

Net cash (used in) provided by financing activities

During the six months ended June 30, 2023, we used \$15.9 million of cash in financing activities, primarily consisting of principal payments on term loans of \$5.0 million, taxes paid in connection with employee stock transactions of \$2.7 million and dividends distributed of \$6.0 million.

During the six months ended June 30, 2022, net cash provided by financing activities of \$27.4 million resulted primarily from proceeds from secondary offering of \$49.7 million, partially offset by principal payments on term loans of \$5.0 million, taxes paid in connection with employee stock transactions of \$6.2 million and dividends distributed of \$5.5 million.

Contractual Obligations

Our long-term contractual obligations generally include our debt and related interest payments and operating and finance lease payments for our property and equipment, and are expected to be funded from cash-on-hand, cash from operations and availability under our existing credit facilities. There were no significant changes to our contractual obligations from those disclosed in the Annual Report on Form 10-K for the year ended December 31, 2022.

Off-Balance Sheet Arrangements

We do not engage in off-balance sheet financing arrangements, as defined in Item 303(a)(4)(ii) of Regulation S-K.

CRITICAL ACCOUNTING POLICIES AND SIGNIFICANT JUDGMENTS AND ESTIMATES

Our consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles, or U.S. GAAP. Preparation of the financial statements requires us to make judgments, estimates and assumptions that impact the reported amount of net sales and expenses, assets and liabilities and the disclosure of contingent assets and liabilities. We consider an accounting judgment, estimate or assumption to be critical when the estimate or assumption is complex in nature or requires a high degree of judgment and when the use of different judgments, estimates and assumptions could have a material impact on our consolidated financial statements. While our significant accounting policies are described in more detail in notes in our consolidated financial statements included elsewhere in this Quarterly Report on Form 10-Q, we believe that the following accounting policies are those most critical to the judgments and estimates used in the preparation of our financial statements.

There have been no significant changes to our critical accounting policies as described in our Annual Report on Form 10-K for the year ended December 31, 2022.

Recently Adopted and Issued Accounting Pronouncements

Recently issued and adopted accounting pronouncements are described in notes to our audited consolidated financial statements included elsewhere in this Quarterly Report on Form 10-Q.

Emerging Growth Company

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”). As such, we are eligible for exemptions from various reporting requirements applicable to other public companies that are not emerging growth companies, including, but not limited to, presenting only two years of audited financial statements, not being required to comply with the auditor attestation requirements of Section 404 of the Sarbanes-Oxley Act of 2002, reduced disclosure obligations regarding executive compensation, and an exemption from the requirements to obtain a non-binding advisory vote on executive compensation or golden parachute arrangements.

In addition, an emerging growth company can take advantage of an extended transition period for complying with new or revised accounting standards. This provision allows an emerging growth company to delay the adoption of certain accounting standards until those standards would otherwise apply to private companies. We have elected to avail ourselves of this provision of the JOBS Act. As a result, we will not be subject to new or revised accounting standards at the same time as other public companies that are not emerging growth companies. Therefore, our consolidated financial statements may not be comparable to those of companies that comply with new or revised accounting pronouncements as of public company effective dates.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

We have in the past and may in the future be exposed to certain market risks, including interest rate, foreign currency exchange in the ordinary course of our business. Market risk represents the risk of loss that may impact our financial condition or results of operations due to adverse changes in financial market prices and rates. These risks are not significant to our results of operations, but they may be in the future. We do not hold or issue financial instruments for speculative or trading purposes. There have not been material changes in market risk exposures as of June 30, 2023.

Interest rate risk

Changes in interest rates affect the amount of interest expense we are required to pay on our floating rate debt. As of June 30, 2023, we had \$143.6 million in outstanding floating rate debt, which bears interest at one-month SOFR (5.16% as of June 30, 2023) plus 1.75%.

We entered into the Swap Agreements to convert a portion of the interest rate exposure on our floating rate debt from variable to fixed and designated them as cash flow hedges. Under the terms of the Swap Agreements, we receive payments based on the 1-month SOFR. A portion of the amount included in accumulated other comprehensive income is reclassified into interest expense, net as a yield adjustment as interest is either paid or received on the hedged debt. The fair value of our Swap Agreements is based upon Level 2 inputs. We have considered our own credit risk and the credit risk of the counterparties when determining the fair value of our Swap Agreements.

We performed a sensitivity analysis on the principal amount of debt as of June 30, 2023, as well as the effect of our Swap Agreements. Further, in this sensitivity analysis, the change in interest rates is assumed to be applicable for an entire year. On an annual basis, a change of 100 basis points in the applicable interest rate would cause a change in interest expense of \$1.4 million on the principal amount of debt, and have would have an immaterial effect when including the effect of our Swap Agreements.

As of June 30, 2023, we had the following Swap Agreements (in thousands):

Effective Date	Notional Amount	Fixed Rate
September 30, 2021 through July 23, 2026	\$ 100,000	0.812 %
May 31, 2023 through July 23, 2026	\$ 50,000	3.905 %

During the six months ended June 30, 2023, there were no interest rate swap agreements that expired.

Foreign currency exchange rate risk

Our operations are geographically diverse and we are exposed to foreign currency exchange risk primarily for the Canadian dollar and Mexican peso, related to our transactions and our subsidiaries' balances that are denominated in currencies other than the U.S. dollar, our functional currency. We do not currently hedge our foreign currency transaction or translation exposure, though we have done so in the past and may do so in the future. Significant currency fluctuations could impact the comparability of our results of operations between periods. A 10% increase or decrease in the value of the Canadian dollar to the U.S. dollar would have caused our reported net sales to increase or decrease by approximately \$0.4 million and \$0.6 million for the three and six months ended June 30, 2023. A 10% increase or decrease in the value of the Canadian dollar to the U.S. dollar would have caused our reported net income to increase or decrease by approximately \$0.1 million and \$0.1 million for the three and six months ended June 30, 2023, excluding unrealized gains or losses from remeasurement. A 10% increase or decrease in the value of the Mexican peso to the U.S. dollar would have caused our reported net income to increase or decrease by approximately \$0.6 million and \$1.2 million for the three and six months ended June 30, 2023, excluding unrealized gains or losses from remeasurement.

ITEM 4. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

The Company's management carried out an evaluation, under the supervision and with the participation of the Company's Chief Executive Officer and Chief Financial Officer, its principal executive officer and principal financial officer, respectively, of the effectiveness of the design and operation of the Company's disclosure controls and procedures (as such term is defined in Rules 13a-15(c) and 15d-15(e) under the Securities Exchange Act of 1934, as amended ("Exchange Act")) as of June 30, 2023, pursuant to Exchange Act Rule 13a-15. Such disclosure controls and procedures are designed to ensure that information required to be disclosed by the Company in reports we file or submit under the Exchange Act is (i) recorded, processed, summarized, evaluated and reported, as applicable, within the time periods specified in the SEC's rules and forms, and (ii) accumulated and communicated to the appropriate management on a basis that permits timely decisions regarding disclosure. Based upon that evaluation, the Company's Chief Executive Officer and Chief Financial Officer concluded that the Company's disclosure controls and procedures as of June 30, 2023 were effective.

Changes in Internal Control over Financial Reporting

There was no change in our internal control over financial reporting during the quarter ended June 30, 2023 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

Limitations on Effectiveness of Controls and Procedures

Our management, including our principal executive officer and principal financial officer, does not expect that our disclosure controls can prevent all errors and all fraud. A control system, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. There are inherent limitations in all control systems, including the realities that judgments in decision-making can be faulty and that breakdowns can occur because of simple error or mistake. Additionally, controls can be circumvented by the individual acts of one or more persons. The design of any system of controls also is based in part upon certain assumptions about the likelihood of future events and there can be no assurance that any design will succeed in achieving its stated goals under all potential conditions. Because of the inherent limitations in any control system, misstatements due to error or fraud may occur and not be detected.

“Applicable Margin” means the corresponding percentages per annum as specified under and in accordance with the terms set forth below based on the Consolidated Total Net Leverage Ratio:

Level	Consolidated Total Net Leverage Ratio	Commitment Fee	Letter of Credit Fee	Base Rate Spread	Term SOFR Rate Spread
I	Less than 1.50 to 1.00	0.175%	1.50%	0.50%	1.50%

For purposes of determining the Applicable Margin:

(b) The Applicable Margin shall be recomputed as of the end of each Fiscal Quarter ending after the Funding Date based on the Consolidated Total Net Leverage Ratio as of such quarter end. and (ii) if a proper calculation of the Consolidated Total Net Leverage Ratio would have resulted in higher pricing for such period, the Borrower shall immediately and retroactively be obligated to pay to the Administrative Agent for the account of the applicable Lenders, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower or Holdings under the Bankruptcy Code of the United States, automatically and without further action by the Administrative Agent, any Lender or any Issuing Lender), an amount equal to the excess of the amount of interest and fees that should have been paid for such period over the amount of interest and fees actually paid for such period. (b) Presumptions by the Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed time of any Loan that such Lender will not make available to the Administrative Agent such Lender's share of such Loan, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.6(a) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Loan available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Effective Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (ii) in the case of a payment to be made by the Borrower, the interest rate applicable to Loans under the Base Rate Option. If such Lender pays its share of the applicable Loan to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(c) Making Swingline Loans. So long as PNC elects to make Swingline Loans, PNC shall, after receipt by it of a Swingline Loan Request pursuant to Section 2.5(b), fund such Swingline Loan to the Borrower in U.S. Dollars and immediately available funds at the Principal Office prior to 4:00 p.m. Eastern Time on the Borrowing Date. A Swingline Loan Note shall, if required by PNC, evidence the Swingline Loans.

(d) Repayment of Revolving Credit Loans. The Borrower shall repay the outstanding principal amount of all Revolving Credit Loans, together with all outstanding interest thereon, on the Expiration Date.

(e) Borrowings to Repay Swingline Loans.

(i) PNC may, at its option, exercisable at any time for any reason whatsoever, demand repayment of any or all of the outstanding Swingline Loans, and each Lender shall make a Revolving Credit Loan in an amount equal to such Lender's Ratable Share of the aggregate principal amount of the outstanding Swingline Loans with respect to which repayment is demanded, plus, if PNC so requests, accrued interest thereon; provided that no Lender shall be

obligated in any event to make Revolving Credit Loans in excess of its Revolving Credit Commitment minus its Ratable Share of Letter of Credit Obligations and minus its Ratable Share of any Swingline Loans not so being repaid. Revolving Credit Loans made pursuant to the preceding sentence shall bear interest at the Base Rate Option and shall be deemed to have been properly requested in accordance with Section 2.5(a) without regard to any of the requirements of that provision. PNC shall provide notice to the Lenders (which may be telephonic or written notice by letter, facsimile or telex) that such Revolving Credit Loans are to be made under this Section 2.6(e) and of the apportionment among the Lenders, and the Lenders shall be unconditionally obligated to fund such Revolving Credit Loans (whether or not the conditions specified in Section 2.5(a) or in Section 7.3 are then satisfied) by the time PNC so requests, which shall not be earlier than 3:00 p.m. Eastern Time on the Business Day next after the date the Lenders receive such notice from PNC.

(ii) If any Lender fails to make available to the Administrative Agent for the account of PNC (as the Swingline Loan Lender) any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.6(e) by the time specified in Section 2.6(e)(i), the Swingline Loan Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swingline Loan Lender at a rate per annum equal to the greater of the Effective Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Swingline Loan Lender in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Credit Loan with respect to such prepayment. A certificate of the Swingline Loan Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (ii) shall be conclusive absent manifest error.

(f) Swingline Loans Under Cash Management Agreements. In addition to making Swingline Loans pursuant to the foregoing provisions of Section 2.6(c), without the requirement for a specific request from the Borrower pursuant to Section 2.5(b), PNC as the Swingline Loan Lender may make Swingline Loans to the Borrower in accordance with the provisions of the agreements between the Borrower and such Swingline Loan Lender relating to the Borrower's deposit, sweep and other accounts at such Swingline Loan Lender and related arrangements and agreements regarding the management and investment of the Borrower's cash assets as in effect from time to time (the "Cash Management Agreements") to the extent of the daily aggregate net negative balance in the Borrower's accounts which are subject to the provisions of the Cash Management Agreements. Swingline Loans made pursuant to this Section 2.6(f) in accordance with the provisions of the Cash Management Agreements shall (i) be subject to the limitations as to aggregate amount specified in Section 2.1(b), (ii) not be subject to the limitations as to individual amount specified in Section 2.5(b), (iii) be payable by the Borrower, both as to principal and interest, at the rates and times specified in the Cash Management Agreements (but in no event later than the Expiration Date), (iv) not be made at any time after such Swingline Loan Lender has received written notice of the occurrence of an Event of Default and so long as such shall continue to exist, or, unless consented to by the Required Lenders, a Potential Default and so long as such shall continue to exist, (v) if not repaid by the Borrower in accordance with the provisions of the Cash Management Agreements, be subject to each Lender's obligation pursuant to Section 2.6(e), and (vi) except as provided in Sections 2.6(f)(i) through 2.6(f)(v), be subject to all of the terms and conditions of this Article 2.

2.7 Notes. The Obligation of the Borrower to repay the aggregate unpaid principal amount of the Revolving Credit Loans, Swingline Loans and Term Loans made to it by each Lender, together with interest thereon, shall be evidenced by a revolving credit Note, a swing Note and a term Note, dated the

Funding Date payable to the order of such Lender in a face amount equal to the Revolving Credit Commitment, Swingline Loan Commitment or Term Loan Commitment, as applicable, of such Lender.

2.8 Letter of Credit Subfacility.

(a) Issuance of Letters of Credit. The Borrower or any other Loan Party may at any time prior to the Expiration Date request the issuance of a letter of credit (each, a "Letter of Credit") for its own account or the account of another Loan Party or on behalf of the Borrower and either an Excluded Subsidiary or a Subsidiary of the Borrower which is not a Loan Party (in which case the Borrower and such Excluded Subsidiaries or Subsidiary, as applicable, shall be co-applicants with respect to such Letter of Credit) or the amendment or extension of an existing Letter of Credit, by delivering or transmitting electronically, or having such other Loan Party deliver or transmit electronically to the applicable Issuing Lender (with a copy to the Administrative Agent) a completed application for letter of credit, or request for such amendment or extension, as applicable, in such form as the applicable Issuing Lender may specify from time to time by no later than 10:00 a.m. Eastern Time at least five (5) Business Days, or such shorter period as may be agreed to by the applicable Issuing Lender, in advance of the proposed date of issuance. Each Letter of Credit shall be a Standby Letter of Credit (and may not be a Commercial Letter of Credit). The Borrower or any Loan Party shall authorize and direct the applicable Issuing Lender to name the Borrower or any Loan Party or any Subsidiary as the "Applicant" or "Account Party" of each Letter of Credit. Promptly after receipt of any letter of credit application, the applicable Issuing Lender shall confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit application and if not, the applicable Issuing Lender will provide the Administrative Agent with a copy thereof. As of the Funding Date, each of the Existing Letters of Credit (to the extent then outstanding) shall constitute, for all purposes of this Agreement and the other Loan Documents, a Letter of Credit issued and outstanding hereunder.

(i) Unless the applicable Issuing Lender has received notice from any Lender, the Administrative Agent or any Loan Party, at least one (1) day prior to the requested date of issuance, amendment or extension of the applicable Letter of Credit, that one or more applicable conditions in Article 7 is not satisfied, then, subject to the terms and conditions hereof and in reliance on the agreements of the other Lenders specified in this Section 2.8, the applicable Issuing Lender or any of the applicable Issuing Lender's Affiliates will issue the proposed Letter of Credit or agree to such amendment or extension; provided that each Letter of Credit shall (A) have a maximum maturity of twelve (12) months from the date of issuance, and (B) in no event expire later than the Expiration Date; and provided, further, that in no event shall (1) the Letter of Credit Obligations exceed, at any one time, \$15,000,000 (the "Letter of Credit Sublimit") or (2) the Revolving Facility Usage exceed, at any one time, the Revolving Credit Commitments. Each request by the Borrower for the issuance, amendment or extension of a Letter of Credit shall be deemed to be a representation by the Borrower that it shall be in compliance with the preceding sentence and with Article 7 after giving effect to the requested issuance, amendment or extension of such Letter of Credit. Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to the beneficiary thereof, the applicable Issuing Lender will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment. Upon the request of the Administrative Agent, (x) if any Issuing Lender has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in a Letter of Credit Borrowing, or (y) if, on the Expiration Date, any Letter of Credit Obligation for any reason remains outstanding, Borrower shall, in each case, immediately Cash Collateralize the then outstanding amount of all Letter of Credit Obligations. The Borrower hereby grants to the Administrative Agent, for the benefit of each Issuing Lender and the Lenders, a security interest in all cash collateral pledged pursuant to this Section or otherwise under this Agreement.

(ii) Notwithstanding Section 2.8(a)(i), no Issuing Lender shall be under any obligation to issue any Letter of Credit if (A) any order, judgment or decree of any Official Body or arbitrator shall by its terms purport to enjoin or restrain such Issuing Lender from issuing the Letter of Credit, or any Law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any Official Body with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Lender with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect on the Funding Date, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Funding Date and which such Issuing Lender in good faith deems material to it, (B) the issuance of the Letter of Credit would violate one or more policies of such Issuing Lender applicable to letters of credit generally or (C) any Lender is at that time a Defaulting Lender, unless such Issuing Lender has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such Issuing Lender (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Lender's actual or potential Fronting Exposure (after giving effect to Section 5.15(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other Issuing Lender Obligations as to which such Issuing Lender has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(b) Letter of Credit Fees. The Borrower shall pay (i) to the Administrative Agent for the ratable account of the Lenders a fee (the "Letter of Credit Fee") equal to the Applicable Margin for Letters of Credit times the daily amount available to be drawn under each Letter of Credit (it being understood and agreed that in no event shall the fee under this Section 2.8(b)(i) in respect of any Letter of Credit be less than the Administrative Agent's minimum fee in effect from time to time), and (ii) to the applicable Issuing Lender for its own account a fronting fee equal to 0.125% per annum on the daily amount available to be drawn under each Letter of Credit issued by such Issuing Lender. All Letter of Credit Fees and fronting fees shall be computed on the basis of a year of three hundred sixty (360) days and actual days elapsed and shall be payable quarterly in arrears on each Payment Date following issuance of each Letter of Credit. The Borrower shall also pay to the applicable Issuing Lender for such Issuing Lender's sole account such Issuing Lender's then-in-effect customary fees and administrative expenses payable with respect to the Letters of Credit as such Issuing Lender may generally charge or incur from time to time in connection with the issuance, maintenance, amendment (if any), assignment or transfer (if any), negotiation, and administration of Letters of Credit.

(c) Disbursements, Reimbursement. Immediately upon the issuance of each Letter of Credit, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable Issuing Lender a participation in such Letter of Credit and each drawing thereunder in an amount equal to such Lender's Ratable Share of the maximum amount available to be drawn under such Letter of Credit and the amount of such drawing, respectively.

(i) In the event of any request for a drawing under a Letter of Credit by the beneficiary or transferee thereof, the applicable Issuing Lender will promptly notify the Borrower and the Administrative Agent thereof. Provided that it shall have received such notice, the Borrower shall reimburse (such obligation to reimburse the applicable Issuing Lender shall sometimes be referred to as a "Reimbursement Obligation") the applicable Issuing Lender prior to 12:00 noon on each date that an amount is paid by the applicable Issuing Lender under any Letter of Credit issued by such Issuing Lender (each such date, a "Drawing Date") by paying to the Administrative Agent for the account of the applicable Issuing Lender an amount equal to the amount so paid by the applicable Issuing Lender. In the event the Borrower fails to reimburse the applicable Issuing Lender (through the Administrative Agent) for the full amount of any drawing

under any Letter of Credit issued by such Issuing Lender by 12:00 noon on the Drawing Date, the Administrative Agent will promptly notify each Lender thereof, and the Borrower shall be deemed to have requested that Revolving Credit Loans be made by the Lenders under the Base Rate Option to be disbursed on the Drawing Date under such Letter of Credit, subject to the amount of the unutilized portion of the Revolving Credit Commitment and subject to the conditions specified in Section 7.3 other than any notice requirements. Any notice given by the Administrative Agent or any Issuing Lender pursuant to this Section 2.8(c)(i) may be oral if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Lender shall upon any notice pursuant to Section 2.8(c)(i) make available to the Administrative Agent for the account of the applicable Issuing Lender an amount in immediately available funds equal to its Ratable Share of the amount of the drawing, whereupon the participating Lenders shall (subject to Section 2.8(c)) each be deemed to have made a Revolving Credit Loan under the Base Rate Option to the Borrower in that amount. If any Lender so notified fails to make available to the Administrative Agent for the account of the applicable Issuing Lender the amount of such Lender's Ratable Share of such amount by no later than 2:00 p.m. Eastern Time on the Drawing Date, then interest shall accrue on such Lender's obligation to make such payment, from the Drawing Date to the date on which such Lender makes such payment (A) at a rate per annum equal to the Effective Federal Funds Rate during the first three (3) days following the Drawing Date and (B) at a rate per annum equal to the rate applicable to Revolving Credit Loans under the Base Rate Option on and after the fourth day following the Drawing Date. The Administrative Agent and the applicable Issuing Lender will promptly give notice (as described in Section 2.8(c)(i) above) of the occurrence of the Drawing Date, but failure of the Administrative Agent or the applicable Issuing Lender to give any such notice on the Drawing Date or in sufficient time to enable any Lender to effect such payment on such date shall not relieve such Lender from its obligation under this Section 2.8(c)(ii).

(iii) With respect to any unreimbursed drawing that is not converted into Revolving Credit Loans under the Base Rate Option to the Borrower in whole or in part as contemplated by Section 2.8(c)(i), because of the Borrower's failure to satisfy the conditions specified in Section 7.3 other than any notice requirements, or for any other reason, the Borrower shall be deemed to have incurred from the applicable Issuing Lender a borrowing (each a "Letter of Credit Borrowing") in the amount of such drawing. Such Letter of Credit Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the rate per annum applicable to the Revolving Credit Loans under the Base Rate Option. Each Lender's payment to the Administrative Agent for the account of the applicable Issuing Lender pursuant to this Section 2.8(c) shall be deemed to be a payment in respect of its participation in such Letter of Credit Borrowing (each, a "Participation Advance") from such Lender in satisfaction of its participation obligation under this Section 2.8(c).

(d) Repayment of Participation Advances.

(i) Upon (and only upon) receipt by the Administrative Agent for the account of the applicable Issuing Lender of immediately available funds from the Borrower (A) in reimbursement of any payment made by the applicable Issuing Lender under the Letter of Credit with respect to which any Lender has made a Participation Advance to the Administrative Agent, or (B) in payment of interest on such a payment made by the applicable Issuing Lender under such a Letter of Credit, the Administrative Agent on behalf of the applicable Issuing Lender will pay to each Lender, in the same funds as those received by the Administrative Agent, the amount of such Lender's Ratable Share of such funds, except the Administrative Agent shall retain for the account

of the applicable Issuing Lender the amount of the Ratable Share of such funds of any Lender that did not make a Participation Advance in respect of such payment by the applicable Issuing Lender.

(ii) If the Administrative Agent is required at any time to return to any Loan Party, or to a trustee, receiver, liquidator, custodian, or any official in any Insolvency Proceeding, any portion of any payment made by any Loan Party to the Administrative Agent for the account of any Issuing Lender pursuant to this Section 2.8 in reimbursement of a payment made under any Letter of Credit issued by the applicable Issuing Lender or interest or fees thereon, each Lender shall, on demand of the Administrative Agent, forthwith return to the Administrative Agent for the account of the applicable Issuing Lender the amount of its Ratable Share of any amounts so returned by the Administrative Agent plus interest thereon from the date such demand is made to the date such amounts are returned by such Lender to the Administrative Agent, at a rate per annum equal to the Effective Federal Funds Rate in effect from time to time.

(e) Documentation. Each Loan Party agrees to be bound by the terms of the applicable Issuing Lender's application and agreement for letters of credit and the applicable Issuing Lender's written regulations and customary practices relating to letters of credit, though such interpretation may be different from such Loan Party's own. In the event of a conflict between such application or agreement and this Agreement, this Agreement shall govern. It is understood and agreed that, except in the case of gross negligence or willful misconduct, no Issuing Lender shall be liable for any error, negligence and/or mistakes, whether of omission or commission, in following any Loan Party's instructions or those contained in the Letters of Credit or any modifications, amendments or supplements thereto.

(f) Determinations to Honor Drawing Requests. In determining whether to honor any request for drawing under any Letter of Credit by the beneficiary thereof, the applicable Issuing Lender shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit.

(g) Nature of Participation and Reimbursement Obligations. Each Lender's obligation in accordance with this Agreement to make the Revolving Credit Loans or Participation Advances, as contemplated by Section 2.8(c), as a result of a drawing under a Letter of Credit, and the Obligations of the Borrower to reimburse the applicable Issuing Lender upon a draw under a Letter of Credit, shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Section 2.8 under all circumstances, including the following circumstances:

(i) any set-off, counterclaim, recoupment, defense or other right which such Lender may have against the applicable Issuing Lender or any of its Affiliates, the Borrower or any other Person for any reason whatsoever, or which any Loan Party may have against the applicable Issuing Lender or any of its Affiliates, any Lender or any other Person for any reason whatsoever;

(ii) the failure of any Loan Party or any other Person to comply, in connection with a Letter of Credit Borrowing, with the conditions specified in Sections 2.1, 2.5, 2.6 or 7.3 or as otherwise specified in this Agreement for the making of a Revolving Credit Loan, it being acknowledged that such conditions are not required for the making of a Letter of Credit Borrowing and the obligation of the Lenders to make Participation Advances under Section 2.8(c);

(iii) any lack of validity or enforceability of any Letter of Credit;

(iv) any claim of breach of warranty that might be made by any Loan Party or any Lender against any beneficiary of a Letter of Credit, or the existence of any claim, set-off,

recoupment, counterclaim, cross claim, defense or other right which any Loan Party or any Lender may have at any time against a beneficiary, successor beneficiary any transferee or assignee of any Letter of Credit or the proceeds thereof (or any Persons for whom any such transferee may be acting), the applicable Issuing Lender or its Affiliates or any Lender or any other Person, whether in connection with this Agreement, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between any Loan Party or Subsidiaries of a Loan Party and the beneficiary for which any Letter of Credit was procured);

(v) the lack of power or authority of any signer of (or any defect in or forgery of any signature or endorsement on) or the form of or lack of validity, sufficiency, accuracy, enforceability or genuineness of any draft, demand, instrument, certificate or other document presented under or in connection with any Letter of Credit, or any fraud or alleged fraud in connection with any Letter of Credit, or the transport of any property or provision of services relating to a Letter of Credit, in each case even if the applicable Issuing Lender or any of its Affiliates has been notified thereof;

(vi) payment by any Issuing Lender or any of its Affiliates under any Letter of Credit issued by such Issuing Lender against presentation of a demand, draft or certificate or other document which does not comply with the terms of such Letter of Credit;

(vii) the solvency of, or any acts or omissions by, any beneficiary of any Letter of Credit, or any other Person having a role in any transaction or obligation relating to a Letter of Credit, or the existence, nature, quality, quantity, condition, value or other characteristic of any property or services relating to a Letter of Credit;

(viii) any failure by any Issuing Lender or any of its Affiliates to issue any Letter of Credit in the form requested by any Loan Party, unless the applicable Issuing Lender has received written notice from such Loan Party of such failure within three (3) Business Days after the applicable Issuing Lender shall have furnished such Loan Party and the Administrative Agent a copy of such Letter of Credit and such error is material and no drawing has been made thereon prior to receipt of such notice;

(ix) any adverse change in the business, operations, properties, assets, condition (financial or otherwise) or prospects of any Loan Party or Subsidiaries of a Loan Party;

(x) any breach of this Agreement or any other Loan Document by any party thereto;

(xi) the occurrence or continuance of an Insolvency Proceeding with respect to any Loan Party;

(xii) the fact that an Event of Default or a Potential Default shall have occurred and be continuing;

(xiii) the fact that the Expiration Date shall have passed or this Agreement or the Commitments hereunder shall have been terminated; and

(xiv) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

(h) Liability for Acts and Omissions. As between any Loan Party and any Issuing Lender, or such Issuing Lender's Affiliates, such Loan Party assumes all risks of the acts and omissions of, or misuse of the Letters of Credit by, the respective beneficiaries of such Letters of Credit. In furtherance and not in limitation of the foregoing, no Issuing Lender shall be responsible for any of the following, including any losses or damages to any Loan Party or other Person or property relating therefrom: (i) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for an issuance of any such Letter of Credit issued by such Issuing Lender, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged (even if such Issuing Lender or its Affiliates shall have been notified thereof); (ii) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (iii) the failure of the beneficiary of any such Letter of Credit, or any other party to which such Letter of Credit may be transferred, to comply fully with any conditions required in order to draw upon such Letter of Credit or any other claim of any Loan Party against any beneficiary of such Letter of Credit, or any such transferee, or any dispute between or among any Loan Party and any beneficiary of any Letter of Credit or any such transferee; (iv) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, whether or not they be in cipher; (v) errors in interpretation of technical terms; (vi) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof; (vii) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (viii) any consequences arising from causes beyond the control of the applicable Issuing Lender or its Affiliates, as applicable, including any act or omission of any Official Body, and none of the above shall affect or impair, or prevent the vesting of, any of the applicable Issuing Lender's or its Affiliates rights or powers hereunder. Nothing in the preceding sentence shall relieve any Issuing Lender from liability for such Issuing Lender's gross negligence or willful misconduct in connection with actions or omissions described in such clauses (i) through (viii) of such sentence. Notwithstanding the foregoing, in no event shall any Issuing Lender or its Affiliates be liable to any Loan Party for any indirect, consequential, incidental, punitive, exemplary or special damages or expenses (including attorneys' fees), or for any damages resulting from any change in the value of any property relating to a Letter of Credit.

Without limiting the generality of the foregoing, each Issuing Lender and each of their respective Affiliates (i) may rely on any oral or other communication believed in good faith by such Issuing Lender or such Affiliate to have been authorized or given by or on behalf of the applicant for a Letter of Credit, (ii) may honor any presentation if the documents presented appear on their face substantially to comply with the terms and conditions of the relevant Letter of Credit; (iii) may honor a previously dishonored presentation under a Letter of Credit, whether such dishonor was pursuant to a court order, to settle or compromise any claim of wrongful dishonor, or otherwise, and shall be entitled to reimbursement to the same extent as if such presentation had initially been honored, together with any interest paid by the applicable Issuing Lender or its Affiliate; (iv) may honor any drawing that is payable upon presentation of a statement advising negotiation or payment, upon receipt of such statement (even if such statement indicates that a draft or other document is being delivered separately), and shall not be liable for any failure of any such draft or other document to arrive, or to conform in any way with the relevant Letter of Credit; (v) may pay any paying or negotiating bank claiming that it rightfully honored under the laws or practices of the place where such bank is located; and (vi) may settle or adjust any claim or demand made on the applicable Issuing Lender or its Affiliate in any way related to any order issued at the applicant's request to an air carrier, a letter of guarantee or of indemnity issued to a carrier or any similar document (each, an "Order") and honor any drawing in connection with any Letter of Credit that is the subject of such Order, notwithstanding that any drafts or other documents presented in connection with such Letter of Credit fail to conform in any way with such Letter of Credit.

In furtherance and extension and not in limitation of the specific provisions specified above, any action taken or omitted by any Issuing Lender or its Affiliates under or in connection with the Letters of Credit issued by it or any documents and certificates delivered thereunder, if taken or omitted in good faith, shall not put such Issuing Lender or its Affiliates under any resulting liability to the Borrower or any Lender.

(i) Issuing Lender Reporting Requirements. Each Issuing Lender shall, on the first Business Day of each month, provide to Administrative Agent and Borrower a schedule of the Letters of Credit issued by it, in form and substance satisfactory to Administrative Agent, showing the date of issuance of each Letter of Credit, the account party, the original face amount (if any), and the expiration date of any Letter of Credit outstanding at any time during the preceding month, and any other information relating to such Letter of Credit that the Administrative Agent may request.

ARTICLE 3
TERM LOANS

3.1 Term Loan Commitments. Subject to the terms and conditions hereof, and relying upon the representations and warranties herein specified, each Lender severally agrees to make a term loan (the "Term Loan") to the Borrower on the Funding Date in such principal amount as the Borrower shall request up to, but not exceeding, such Lender's Term Loan Commitment.

3.2 Nature of Lenders' Obligations with Respect to Term Loans; Repayment Terms.

(a) The obligations of each Lender to make Term Loans to the Borrower shall equal its Ratable Share of the requested Term Loan; provided that no Lender's Term Loan to the Borrower shall exceed its Term Loan Commitment. The failure of any Lender to make a Term Loan shall not relieve any other Lender of its obligations to make a Term Loan nor shall it impose any additional liability on any other Lender hereunder. The Lenders shall have no obligation to make Term Loans hereunder after the Funding Date, and any portion of the Term Loan Commitment not drawn on the Funding Date shall automatically expire. The Term Loan Commitments are not revolving credit commitments, and the Borrower shall not have the right to borrow, repay and reborrow under Section 3.1.

(b) The Borrower shall repay to the applicable Lenders the aggregate principal amount of all Term Loans outstanding on the following dates in the respective amounts set forth opposite such dates (which amounts shall be reduced as a result of the application of voluntary and mandatory prepayments in accordance with the order of priority set forth in Section 5.2 and Section 5.3):

provided, however, that the final principal repayment installment of the Term Loans shall be repaid on the Term Loan Maturity Date and in any event shall be in an amount equal to the aggregate principal amount of all Term Loans outstanding on such date.

ARTICLE 4
INTEREST RATES

4.1 Interest Rate Options. The Borrower shall pay interest in respect of the outstanding unpaid principal amount of the Loans as selected by it from the Base Rate Option or Term SOFR Rate Option specified below applicable to the Revolving Credit Loans, the Terms Loans, or the Swingline Loans, respectively, it being understood that, subject to the provisions of this Agreement, the Borrower may select different Interest Rate Options and different Interest Periods to apply simultaneously to the Loans comprising different Borrowing Tranches and may convert to or renew one or more Interest Rate Options with respect to all or any portion of the Loans comprising any Borrowing Tranche; provided that there shall not be at any one time outstanding more than six (6) Borrowing Tranches of Revolving Credit Loans or more than six (6) Borrowing Tranches of Term Loans; provided, further, that if an Event of Default exists and is continuing, the Borrower may not request, convert to, or renew the Term SOFR Rate Option for any Loans and the Required Lenders may demand that all existing Borrowing Tranches bearing interest under the Term SOFR Rate Option shall be converted immediately to the Base Rate Option, subject to the obligation of the Borrower to pay any indemnity under Section 5.10 in connection with such conversion or at the end of the applicable Interest Period. If at any time the designated rate applicable to any Loan made by any Lender exceeds such Lender's highest lawful rate, the rate of interest on such Lender's Loan shall be limited to such Lender's highest lawful rate. The applicable Base Rate or Term SOFR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(a) Revolving Credit Interest Rate Options. The Borrower shall have the right to select from the following Interest Rate Options applicable to the Revolving Credit Loans:

(i) Revolving Credit Base Rate Option: A fluctuating rate per annum (computed on the basis of a year of three hundred sixty-five (365) or three hundred sixty-six (366) days, as the case may be, and actual days elapsed) equal to the Base Rate plus the Applicable Margin, such interest rate to change automatically from time to time effective as of the effective date of each change in the Base Rate; or

(ii) Revolving Credit Term SOFR Rate Option: A rate per annum (computed on the basis of a year of three hundred sixty (360) days and actual days elapsed) equal to the Term SOFR Rate as determined for each applicable Interest Period plus the SOFR Adjustment plus the Applicable Margin.

(b) Swingline Loan Interest Rate. Subject to Section 4.3, only the Base Rate Option applicable to Revolving Credit Loans shall apply to the Swingline Loans.

(c) Term Loan Interest Rate Options. The Borrower shall have the right to select from the following Interest Rate Options applicable to the Term Loans:

(i) Term Loan Base Rate Option: A fluctuating rate per annum (computed on the basis of a year of three hundred sixty-five (365) or three hundred sixty-six (366) days, as the case may be, and actual days elapsed) equal to the Base Rate plus the Applicable Margin, such interest rate to change automatically from time to time effective as of the effective date of each change in the Base Rate; or

(ii) Term Loan Term SOFR Rate Option: A rate per annum (computed on the basis of a year of three hundred sixty (360) days and actual days elapsed) equal to the Term SOFR Rate as determined for each applicable Interest Period plus the SOFR Adjustment plus the Applicable Margin.

(d) Rate Quotations. The Borrower may call the Administrative Agent on or before the date on which a Loan Request is to be delivered to receive an indication of the rates then in effect, but it is acknowledged that such projection shall not be binding on the Administrative Agent or the Lenders nor affect the rate of interest which thereafter is actually in effect when the election is made.

(e) Conforming Changes Relating to the Term SOFR Rate. With respect to the Term SOFR Rate, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document; provided that, the Administrative Agent shall provide notice to the Borrower and the Lenders of each such amendment implementing such Conforming Changes reasonably promptly after such amendment becomes effective.

4.2 Interest Periods. At any time when the Borrower shall select, convert to or renew a Term SOFR Rate Option, the Borrower shall notify the Administrative Agent thereof at least three (3) Business Days prior to the effective date of such Term SOFR Rate Option by delivering a Loan Request. The notice shall specify an Interest Period during which such Interest Rate Option shall apply. Notwithstanding the preceding sentence, the following provisions shall apply to any selection of, renewal of, or conversion to a Term SOFR Rate Option:

(a) Amount of Borrowing Tranche. Each Borrowing Tranche of Loans under the Term SOFR Rate Option shall be in integral multiples of, and not less than, the respective amounts specified in Section 2.5(a); and

(b) Renewals. In the case of the renewal of a Term SOFR Rate Option at the end of an Interest Period, the first day of the new Interest Period shall be the last day of the preceding Interest Period, without duplication in payment of interest for such day.

4.3 Interest After Default. To the extent permitted by Law, upon the occurrence of an Event of Default and until such time such Event of Default shall have been cured or waived, at the discretion of the Administrative Agent or upon written demand by the Required Lenders to the Administrative Agent (or automatically in the case of an Event of Default under Section 10.1(a)(i)):

(a) Letter of Credit Fees, Interest Rate. The Letter of Credit Fees and the rate of interest for each Loan otherwise applicable pursuant to Section 2.8(b) or Section 4.1, respectively, shall be increased by 2.0% per annum;

(b) Other Obligations. Each other Obligation hereunder if not paid when due shall bear interest at a rate per annum equal to the sum of the rate of interest applicable to Revolving Credit

Loans under the Base Rate Option plus an additional 2.00% per annum from the time such Obligation becomes due and payable until the time such Obligation is paid in full; and

(c) Acknowledgment. The Borrower acknowledges that the increase in rates referred to in this Section 4.3 reflects, among other things, the fact that such Loans or other amounts have become a substantially greater risk given their default status and that the Lenders are entitled to additional compensation for such risk; and all such interest shall be payable by Borrower upon demand by Administrative Agent.

4.4 Rate Unascertainable; Increased Costs; Illegality; Benchmark Replacement Setting.

(a) Unascertainable; Increased Costs. If, at any time:

(i) the Administrative Agent shall have determined (which determination shall be conclusive and binding absent manifest error) that Term SOFR Rate cannot be determined pursuant to the definition thereof; or

(ii) the Required Lenders determine that for any reason in connection with any request for a Term SOFR Rate Loan or conversion thereto or continuation thereof that the Term SOFR Rate does not adequately and fairly reflect the cost to such Lenders of funding, establishing or maintaining such Loan during the applicable Interest Period, as applicable, and the Required Lenders have provided notice of such determination to the Administrative Agent,

then the Administrative Agent shall have the rights specified in Section 4.4(c).

(b) Illegality. If at any time any Lender shall have determined, or any Official Body shall have asserted, that the making, maintenance or funding of any Term SOFR Rate Loan, or the determination or charging of interest rates based on the Term SOFR Rate, has been made impracticable or unlawful by compliance by such Lender in good faith with any Law or any interpretation or application thereof by any Official Body or with any request or directive of any such Official Body (whether or not having the force of Law), then the Administrative Agent shall have the rights specified in Section 4.4(c).

(c) Administrative Agent's and Lender's Rights. In the case of any event specified in Section 4.4(a) above, the Administrative Agent shall promptly notify the Lenders and the Borrower thereof, and in the case of an event specified in Section 4.4(b) above, such Lender shall promptly so notify the Administrative Agent and endorse a certificate to such notice as to the specific circumstances of such notice, and the Administrative Agent shall promptly send copies of such notice and certificate to the other Lenders and the Borrower. Upon such date as shall be specified in such notice (which shall not be earlier than the date such notice is given), the obligation of (i) the Lenders, in the case of such notice given by the Administrative Agent, or (ii) such Lender, in the case of such notice given by such Lender, to allow the Borrower to select, convert to or renew a Term SOFR Rate Loan, as applicable, shall be suspended (to the extent of the affected Term SOFR Rate Loan or Interest Periods) until the Administrative Agent shall have later notified the Borrower, or such Lender shall have later notified the Administrative Agent, of the Administrative Agent's or such Lender's, as the case may be, determination that the circumstances giving rise to such previous determination no longer exist. If at any time the Administrative Agent makes a determination under Section 4.4(a) and the Borrower has previously notified the Administrative Agent of its selection of, conversion to or renewal of a Term SOFR Rate Option and the Term SOFR Rate Option has not yet gone into effect, such notification shall be deemed to provide for selection of, conversion to or renewal of a Base Rate Loan. If any Lender notifies the Administrative Agent of a determination under Section 4.4(b), the Borrower shall, subject to the Borrower's indemnification Obligations under Section 5.10, as to any Loan of the Lender to which a Term SOFR Rate Option applies, on the date specified

in such notice either convert such Loan to a Base Rate Loan otherwise available with respect to such Loan or prepay such Loan in accordance with Section 5.2. Absent due notice from the Borrower of conversion or prepayment, such Loan shall automatically be converted to a Base Rate Loan upon such specified date.

(d) Benchmark Replacement Setting.

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document (and any agreement executed in connection with an Interest Rate Hedge shall be deemed not to be a “Loan Document” for purposes of this Section 4.4(d)), if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark, then (A) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (B) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(ii) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iii) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (A) the implementation of any Benchmark Replacement, and (B) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to paragraph (iv) below and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document except, in each case, as expressly required pursuant to this Section.

(iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate or based on a term rate and either (I) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the

Administrative Agent in its reasonable discretion or (II) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor; and (B) if a tenor that was removed pursuant to clause (A) above either (I) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (II) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to the Term SOFR Rate, the Borrower may revoke any pending request for a Loan bearing interest based on such rate or conversion to or continuation of Loans bearing interest based on such rate to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Base Rate Loan or conversion to a Base Rate Loan. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.

4.5 Selection of Interest Rate Options. If the Borrower fails to select a new Interest Period to apply to any Borrowing Tranche of Loans under the Term SOFR Rate Option at the expiration of an existing Interest Period applicable to such Borrowing Tranche in accordance with Section 2.5, the Borrower shall be deemed to have converted such Borrowing Tranche to the Base Rate Option, as applicable to Revolving Credit Loans or Term Loans as the case may be, commencing upon the last day of the existing Interest Period. If the Borrower provides any Loan Request related to a Loan at the Term SOFR Rate Option but fails to identify an Interest Period therefor, such Loan Request shall be deemed to request an Interest Period of one (1) month. Any Loan Request that fails to select an Interest Rate Option shall be deemed to be a request for the Base Rate Option.

ARTICLE 5

PAYMENTS; TAXES; YIELD MAINTENANCE; ETC.

5.1 Payments. All payments and prepayments to be made in respect of principal, interest, Commitment Fees, Letter of Credit Fees, Administrative Agent's Fee or other fees or amounts due from the Borrower hereunder shall be payable prior to 11:00 a.m. Eastern Time on the date when due without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived by the Borrower, and without set-off, counterclaim or other deduction of any nature, and an action therefor shall immediately accrue. Such payments shall be made to the Administrative Agent at the Principal Office for the account of the Swingline Loan Lender with respect to the Swingline Loans and for the ratable accounts of the Lenders with respect to the Revolving Credit Loans or Term Loans in U.S. Dollars and in immediately available funds, and the Administrative Agent shall promptly distribute such amounts to the Lenders in immediately available funds; provided that in the event payments are received by 11:00 a.m. Eastern Time by the Administrative Agent with respect to the Loans and such payments are not distributed to the Lenders on the same day received by the Administrative Agent, the Administrative Agent shall pay the Lenders interest at the Effective Federal Funds Rate with respect to the amount of such payments for each day held by the Administrative Agent and not distributed to the Lenders. The Administrative Agent's statement of account, ledger or other relevant record shall, in the absence of manifest error, be conclusive as the

statement of the amount of principal of and interest on the Loans and other amounts owing under this Agreement.

5.2 Voluntary Prepayments.

(a) Right to Prepay. The Borrower shall have the right at its option from time to time to prepay the Loans, in whole or part, without premium or penalty (except as provided in Section 5.13 below, in Section 5.8 and Section 5.10). Whenever the Borrower desires to prepay any part of the Loans, it shall provide a prepayment notice to the Administrative Agent by 1:00 p.m. Eastern Time at least one (1) Business Day prior to the date of prepayment of the Revolving Credit Loans or Term Loans that bear interest at the Base Rate Option and at least three (3) Business Days in the case of Loans bearing interest at the Term SOFR Rate Option, or no later than 1:00 p.m. Eastern Time on the date of prepayment of Swingline Loans, setting forth the following information:

- (i) the date, which shall be a Business Day, on which the proposed prepayment is to be made;
- (ii) a statement indicating the application of the prepayment between the Revolving Credit Loans, Term Loans and Swingline Loans;
- (iii) a statement indicating the application of the prepayment between Loans to which the Base Rate Option applies and Loans to which the Term SOFR Rate Option applies; and
- (iv) the total principal amount of such prepayment, which shall not be less than the lesser of (A) the Revolving Facility Usage or (B) \$100,000 (or if less the full outstanding amount) for any Swingline Loan or \$500,000 for any Revolving Credit Loan or Term Loan.

All prepayment notices shall be irrevocable. The principal amount of the Loans for which a prepayment notice is given, together with interest on such principal amount, shall be due and payable on the date specified in such prepayment notice as the date on which the proposed prepayment is to be made. All Term Loan prepayments permitted pursuant to this Section 5.2 shall be applied to the unpaid installments of principal of the Term Loans on a pro rata basis. Except as provided in Section 4.4(c), if the Borrower prepays a Loan but fails to specify the applicable Borrowing Tranche which the Borrower is repaying, the prepayment shall be applied (1) first to Revolving Credit Loans and then to Term Loans; and (2) after giving effect to the allocations in clause (1) above and in the preceding sentence, first to Loans to which the Base Rate Option applies, then to Loans to which the Term SOFR Rate Option applies. Any prepayment hereunder shall be subject to the Borrower's Obligation to indemnify the Lenders under Section 5.10.

5.3 Mandatory Prepayments.

(a) Sale of Assets; Recovery Events. Within five (5) Business Days of any Asset Disposition permitted by Section 9.6 or Recovery Event, the Borrower shall make a mandatory prepayment of principal on the Loans equal to the Net Cash Proceeds of such Asset Disposition or Recovery Event, together with accrued interest on such principal amount; provided, however, that so long as no Potential Default or Event of Default shall have occurred and be continuing, such Net Cash Proceeds shall not be required to be applied (i) until the aggregate amount of the Net Cash Proceeds from all such Asset Dispositions or Recovery Events is in excess of \$5,000,000 in any Fiscal Year, and (ii) at the election of the Borrower (as notified by the Borrower to the Administrative Agent on or prior to the date of such Asset Disposition or Recovery Event), to the extent such Net Cash Proceeds are reinvested in assets (excluding current assets as classified in accordance with GAAP) within twelve (12) months after the receipt of such

Net Cash Proceeds; provided that if such Net Cash Proceeds shall not have been so reinvested, such prepayment shall be due immediately upon the expiration of the applicable period. All prepayments pursuant to this Section 5.3(a) shall be applied as set forth in Section 5.3(d).

(b) Holdings IPO. In the event of any issuance of Equity Interests of Holdings pursuant to any Holdings IPO (including any “greenshoe” or supplemental offering made within the first calendar year after any Holdings IPO), the Borrower shall, no later than one (1) Business Day after the receipt by Holdings or any of its Subsidiaries of the Net Cash Proceeds from any such issuance, repay the Loans in an amount equal to the lesser of (i) fifty percent (50%) of such Net Cash Proceeds and (ii) \$50,000,000. All prepayments pursuant to this Section 5.3(b) shall be applied as set forth in Section 5.3(d).

(c) Indebtedness. In the event of any issuance or other incurrence of any Indebtedness (other than Indebtedness permitted by Section 9.1), the Borrower shall, no later than one (1) Business Day after the receipt by Holdings or any of its Subsidiaries of the Net Cash Proceeds from any such issuance or incurrence of Indebtedness, repay the Loans in an amount equal to one hundred percent (100%) of such Net Cash Proceeds. All prepayments pursuant to this Section 5.3(c) shall be applied as set forth in Section 5.3(d).

(d) Application of Prepayments.

(i) Any prepayments made by the Borrower pursuant to Sections 5.3(a), 5.3(b), or 5.3(c) above shall be applied as follows: first, to Administrative Agent’s fees and reimbursable expenses then due and payable pursuant to any of the Loan Documents; second, to all reimbursable expenses of the Lenders and all fees and reimbursable expenses of the Issuing Lenders then due and payable pursuant to any of the Loan Documents, pro rata to the Lenders and the Issuing Lenders based on their respective Ratable Shares of such fees and expenses; third, to interest and fees then due and payable hereunder, pro rata to the Lenders based on their respective Ratable Shares of such interest and fees; fourth, to the principal balance of the Term Loans until the same shall have been paid in full, pro rata to the Lenders based on their Ratable Shares thereof, and applied to the remaining principal installments thereof (including the installment due on the Term Loan Maturity Date thereof) in the inverse order of scheduled maturities; fifth, to the principal balance of the Swingline Loans, until the same shall have been paid in full, to the Swingline Loan Lender; sixth, to the principal balance of the Revolving Credit Loans, until the same shall have been paid in full, pro rata to the Lenders based on their respective Revolving Credit Commitments and seventh, to Cash Collateralize the Letters of Credit in an amount in cash equal to the Letter of Credit Obligations of such date plus any accrued and unpaid fees thereon. The Revolving Credit Commitments of the Lenders shall not be permanently reduced by the amount of any prepayments made pursuant to clauses fifth through seventh above, unless a Potential Default or an Event of Default has occurred and is continuing and the Required Lenders so request.

(ii) All prepayments required pursuant to this Section 5.3 shall first be applied among the Interest Rate Options to the principal amount of the Loans subject to the Base Rate Option, then to Loans subject to a Term SOFR Rate Option. In accordance with Section 5.10, the Borrower shall indemnify the Lenders for any loss or expense, including loss of margin, incurred with respect to any such prepayments applied against Loans subject to a Term SOFR Rate Option on any day other than the last day of the applicable Interest Period.

5.4 Pro Rata Treatment of Lenders. Each borrowing of Revolving Credit Loans shall be allocated to each Lender according to its Ratable Share, and each selection of, conversion to or renewal of any Interest Rate Option and each payment or prepayment by the Borrower with respect to principal, interest, Commitment Fees and Letter of Credit Fees (but excluding the Administrative Agent’s Fee and

each Issuing Lender's fronting fee) shall (except as otherwise may be provided with respect to a Defaulting Lender and except as provided in Sections 4.4(c) in the case of an event specified in Section 4.4, 5.8 or 5.13) be payable ratably among the Lenders entitled to such payment in accordance with the amount of principal, interest, Commitment Fees and Letter of Credit Fees, as specified in this Agreement. Notwithstanding any of the foregoing, each borrowing or payment or prepayment by the Borrower of principal, interest, fees or other amounts from the Borrower with respect to Swingline Loans shall be made by or to the Swingline Loan Lender according to Section 2.6(e).

5.5 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff, counterclaim or banker's lien or other any right, by receipt of voluntary payment, by realization upon security, or by any other non-pro rata source, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than the pro-rata share of the amount such Lender is entitled thereto, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, together with interest or other amounts, if any, required by Law (including court order) to be paid by the Lender or the holder making such purchase; and

(ii) the provisions of this Section 5.5 shall not be construed to apply to (x) any payment made by the Loan Parties pursuant to and in accordance with the express terms of the Loan Documents (including the application of funds arising from the existence of a Defaulting Lender) or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or Participation Advances to any assignee or participant.

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Loan Party in the amount of such participation.

5.6 Administrative Agent's Clawback.

(a) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender, prior to the proposed date of any Borrowing Tranche of Loans that such Lender will not make available to the Administrative Agent such Lender's Ratable Share, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.6(a) or Section 3.2 and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing Tranche of Loans available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Effective Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, and (ii) in the case of a payment to be made by the Borrower, the interest rate applicable to

Loans under the Base Rate Option. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing Tranche of Loans to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing Tranche of Loans. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(b) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Lenders, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Lenders, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Effective Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

5.7 Interest Payment Dates. Interest on Loans to which the Base Rate Option applies shall be due and payable in arrears on each Payment Date. Interest on Loans to which the Term SOFR Rate Option applies shall be due and payable on the last day of each Interest Period for those Loans and, if such Interest Period is longer than three (3) months, also on the 90th day of such Interest Period. Interest on mandatory prepayments of principal under Section 5.3 shall be due on the date such mandatory prepayment is due. Interest on the principal amount of each Loan or other monetary Obligation shall be due and payable on demand after such principal amount or other monetary Obligation becomes due and payable (whether on the stated Expiration Date, upon acceleration or otherwise). Interest shall be computed to, but excluding, the date payment is due.

5.8 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Term SOFR Rate) or any Issuing Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender, any Issuing Lender or the relevant market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any

such Loan, or to increase the cost to such Lender, such Issuing Lender or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender, such Issuing Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, such Issuing Lender or other Recipient, the Borrower will pay to such Lender, such Issuing Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or any Issuing Lender determines that any Change in Law affecting such Lender or such Issuing Lender or any Lending Office of such Lender or such Lender's or such Issuing Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Lender's capital or on the capital of such Lender's or such Issuing Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Lender, to a level below that which such Lender or such Issuing Lender or such Lender's or such Issuing Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Lender's policies and the policies of such Lender's or such Issuing Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or such Issuing Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Lender or such Lender's or such Issuing Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or an Issuing Lender setting forth the amount or amounts necessary to compensate such Lender or such Issuing Lender or its holding company, as the case may be, as specified in Sections 5.8(a) or 5.8(b) and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Lender, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or any Issuing Lender to demand compensation pursuant to this Section 5.8 shall not constitute a waiver of such Lender's or such Issuing Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Lender pursuant to this Section 5.8 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender or such Issuing Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

5.9 Taxes.

(a) Issuing Lender. For purposes of this Section 5.9, the term "Lender" includes each Issuing Lender and the term "applicable Law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Official Body in accordance with applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the

applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 5.9) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Official Body in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.9) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Official Body. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of any of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.8(a) relating to the maintenance of a Participant Register, and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Official Body. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 5.9(e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to an Official Body pursuant to this Section 5.9, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Official Body evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender

is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation specified in Section 5.9(g)(ii)(1), (ii)(2) and (ii)(4) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Borrower,

(1) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(2) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(I) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN-E (or W-8BEN if applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E (or W-8BEN if applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(II) executed originals of IRS Form W-8ECI;

(III) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN-E (or W-8BEN if applicable); or

(IV) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E (or W-8BEN if applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest

exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(3) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(4) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (4), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 5.9 (including by the payment of additional amounts pursuant to this Section 5.9), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 5.9 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Official Body with respect to such refund). Such indemnifying party, upon the request of such indemnified party incurred in connection with obtaining such refund, shall repay to such indemnified party the amount paid over pursuant to this Section 5.9(h) (plus any penalties, interest or other charges imposed by the relevant Official Body) in the event that such indemnified party is required to repay such refund to such Official Body. Notwithstanding anything to the contrary in this Section 5.9(h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 5.9(h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 5.9 shall survive the resignation of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all Obligations.

5.10 Indemnity. In addition to the compensation or payments required by Section 5.8 or Section 5.9, the Borrower shall indemnify each Lender against all liabilities, losses or expenses (including any foreign exchange losses and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan, from fees payable to terminate the deposits from which such funds were obtained or from the performance of any foreign exchange contract) which such Lender sustains or incurs as a consequence of any:

(a) payment, prepayment, conversion or renewal of any Loan to which a Term SOFR Rate Option applies on a day other than the last day of the corresponding Interest Period (whether or not such payment or prepayment is mandatory, voluntary or automatic and whether or not such payment or prepayment is then due); or

(b) attempt by the Borrower to revoke (expressly, by later inconsistent notices or otherwise) in whole or part any Loan Requests under Section 2.5 or Section 4.2 or notice relating to prepayments under Section 5.2 or failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Loan under the Base Rate Option on the date or in the amount notified by the Borrower, or

(c) any assignment of a Loan under the Term SOFR Rate Option on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 5.13.

If any Lender sustains or incurs any such loss or expense, it shall from time to time notify the Borrower of the amount determined in good faith by such Lender (which determination may include such assumptions, allocations of costs and expenses and averaging or attribution methods as such Lender shall deem reasonable) to be necessary to indemnify such Lender for such loss or expense.

Such notice shall specify in reasonable detail the basis for such determination. Such amount shall be due and payable by the Borrower to such Lender ten (10) Business Days after such notice is given.

5.11 Settlement Date Procedures. In order to minimize the transfer of funds between the Lenders and the Administrative Agent, the Borrower may borrow, repay and reborrow Swingline Loans and the Swingline Loan Lender may make Swingline Loans as provided in Section 2.1(b) hereof during the period between Settlement Dates. The Administrative Agent shall notify each Lender of its Ratable Share of the total of the Revolving Credit Loans and the Swingline Loans (each, a "Required Share"). On such Settlement Date, each Lender shall pay to the Administrative Agent the amount equal to the difference between its Required Share and its Revolving Credit Loans, and the Administrative Agent shall pay to each Lender its Ratable Share of all payments made by the Borrower to the Administrative Agent with respect to the Revolving Credit Loans. The Administrative Agent shall also effect settlement in accordance with the foregoing sentence on the proposed Borrowing Dates for Revolving Credit Loans and on any mandatory prepayment date as provided for herein and may at its option effect settlement on any other Business Day. These settlement procedures are established solely as a matter of administrative convenience, and nothing contained in this Section 5.11 shall relieve the Lenders of their obligations to fund Revolving Credit Loans on dates other than a Settlement Date pursuant to Section 2.1(b). The Administrative Agent may at any time at its option for any reason whatsoever require each Lender to pay immediately to the Administrative Agent such Lender's Ratable Share of the outstanding Revolving Credit Loans and each Lender may at any time require the Administrative Agent to pay immediately to such Lender its Ratable Share of all payments made by the Borrower to the Administrative Agent with respect to the Revolving Credit Loans.

5.12 Cash Collateral. At any time that there shall exist a Defaulting Lender, within one (1) Business Day following the written request of the Administrative Agent or any Issuing Lender (with a copy to the Administrative Agent) the Borrower shall Cash Collateralize such Issuing Lender's Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 5.15(a)(iv)) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

(a) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Issuing Lenders, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of Letter of Credit Obligations, to be applied pursuant to clause (b) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent and the Issuing Lenders as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrower will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(b) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 5.12 or Section 5.15 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letter of Credit Obligations (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(c) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce the applicable Issuing Lender's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 5.12 following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the Administrative Agent and the applicable Issuing Lender that there exists excess Cash Collateral; provided that, subject to Section 5.15 the Person providing Cash Collateral and the applicable Issuing Lender may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations; and provided, further, that to the extent that such Cash Collateral was provided by the Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to Section 5.12(a) above.

5.13 Replacement of a Lender. If any Lender requests compensation under Section 5.8, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Official Body for the account of any Lender pursuant to Section 5.9 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 5.14, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.8), all of its interests, rights (other than its existing rights to payments pursuant to Section 5.8 or Section 5.9) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

- (a) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 12.8;

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in Letter of Credit Borrowings, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 5.10) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 5.8 or payments required to be made pursuant to Section 5.9, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable law; and

(e) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

5.14 Designation of a Different Lending Office. If any Lender requests compensation under Section 5.8, or the Borrower is or will be required to pay any Indemnified Taxes or additional amounts to any Lender or any Official Body for the account of any Lender pursuant to Section 5.9, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 5.8 or Section 5.9, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

5.15 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as specified in the definition of Required Lenders.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 10 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.2(b) shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Lender or Swingline Loan Lender hereunder; *third*, to Cash Collateralize the Issuing Lenders' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 5.12; *fourth*, as the Borrower may request (so long as no Potential Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund

its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Lenders' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 5.12; *sixth*, to the payment of any amounts owing to the Lenders, the Issuing Lenders or Swingline Loan Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any Issuing Lender or Swingline Loan Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Potential Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or Letter of Credit Borrowing in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions specified in Section 7.3 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and Letter of Credit Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or Letter of Credit Borrowing owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letter of Credit Obligations and Swingline Loans are held by the Lenders pro rata in accordance with the Commitments under the applicable Facility without giving effect to Section 5.15(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 5.15(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(1) No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(2) Each Defaulting Lender shall be entitled to receive Letter of Credit Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Ratable Share of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 5.12.

(3) With respect to any Letter of Credit Fee not required to be paid to any Defaulting Lender pursuant to clause (1) or (2) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letter of Credit Obligations or Swingline Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Lender and Swingline Loan Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Lender's or Swingline Loan Lender's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letter of Credit Obligations and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Ratable Shares (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Facility Usage of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Credit Commitment. Subject to Section 12.12, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral, Repayment of Swingline Loans. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, (x) first, prepay Swingline Loans in an amount equal to the Swingline Loan Lender's Fronting Exposure and (y) second, Cash Collateralize the Issuing Lenders' Fronting Exposure in accordance with the procedures specified in Section 5.12.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and each Swingline Loan Lender and each Issuing Lender agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions specified therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held pro rata by the Lenders in accordance with the Commitments under the applicable Facility (without giving effect to Section 5.15(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Swingline Loans/Letters of Credit. So long as any Lender is a Defaulting Lender, (i) the Swingline Loan Lender shall not be required to fund any Swingline Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swingline Loan and (ii) no Issuing Lender shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

5.16 Maturity Extensions.

(a) Requests for Extension. The Borrower may, by notice to the Administrative Agent (who shall promptly notify the applicable Lenders of such request and of the Notice Date), which such notice shall not, in the case of a request for extension of the Expiration Date, be earlier than forty-five (45) days or later than thirty-five (35) days prior to the Expiration Date then in effect hereunder (the "Existing Expiration Date"), request that (i) each Lender to the Revolving Credit Facility extend the Existing Expiration Date to a date beyond the Existing Expiration Date or (ii) each Lender to the Term Loan Facility extend the Term Loan Maturity Date then in effect hereunder (the "Existing Term Loan Maturity Date") to a date beyond the Existing Term Loan Maturity Date.

(b) Lender Elections to Extend. Each applicable Lender, acting in its sole and individual discretion, shall, by written notice to the Administrative Agent given by a date specified by the Administrative Agent (which such date shall not be earlier than the date that is ten (10) days after notice is provided to the applicable Lenders, and in any event not earlier than thirty (30) days nor later than twenty (20) days prior to the applicable Expiration Date in the case of extensions of the Expiration Date) (the “Notice Date”), advise the Administrative Agent whether or not such Lender agrees to such extension, and each Lender that determines not to so extend its Expiration Date or Term Loan Maturity Date (a “Non-Extending Lender”) shall notify the Administrative Agent in writing of such fact promptly after such determination (but in any event no later than the Notice Date) and any Lender that does not so advise the Administrative Agent on or before the Notice Date shall be deemed to be a Non-Extending Lender. The election of any Lender to agree to such extension shall not obligate any other Lender to so agree.

(c) Notification by Administrative Agent. The Administrative Agent shall notify the Borrower in writing of each Lender’s determination under this Section 5.16 promptly, but in no event later than two (2) Business Days after the Notice Date. Upon receipt of the responses of the applicable Lenders, the Administrative Agent and the Borrower shall determine the date upon which the relevant extension, if applicable, shall be effective (the “Extension Effective Date”), which such date shall not (unless agreed by the relevant Lenders and the Administrative Agent) be earlier than ten (10) days after the Notice Date.

(d) Additional Commitment Lenders. The Borrower shall have the right on or before the Existing Expiration Date or Existing Term Loan Maturity Date to replace each Non-Extending Lender with, and add as “Lenders” under this Agreement in place thereof, one or more Eligible Assignees (each, an “Additional Commitment Lender”) with the approval of the Administrative Agent (and, with respect to prospective Additional Commitment Lenders under the Revolving Credit Facility, the Swingline Loan Lender and each Issuing Lender), each of which approvals shall not be unreasonably withheld. Each Additional Commitment Lender shall have entered into an agreement in form and substance satisfactory to the Borrower and the Administrative Agent pursuant to which such Additional Commitment Lender shall, effective as of the Extension Effective Date, undertake either (i) a Revolving Credit Commitment (and, if any such Additional Commitment Lender is already a Lender under the Revolving Credit Facility, its Revolving Credit Commitment shall be in addition to such Lender’s Revolving Credit Commitment hereunder on such date) or (ii) Term Loans under the Term Loan Facility, in each case in replacement of the applicable Non-Extending Lender, and shall have purchased such Non-Extending Lenders outstanding Loans at par, and each Additional Commitment Lender shall thereupon become a “Lender” for all purposes of this Agreement under the applicable facility.

(e) Conditions to Effectiveness of Extensions. Notwithstanding the foregoing, the extension of the Expiration Date or the Term Loan Maturity Date pursuant to this Section 5.16 shall only be effective with respect to any Lender on the Extension Effective Date if:

(i) in the case of any proposed extension of the Expiration Date, the total of the Revolving Credit Commitments of the Lenders that have agreed so to extend their Expiration Date and the additional Revolving Credit Commitments of the relevant Additional Commitment Lenders shall be more than 50% of the aggregate amount of the Revolving Credit Commitments in effect immediately prior to the Extension Effective Date;

(ii) in the case of any proposed extension of the Term Loan Maturity Date, the total of the outstanding Term Loans of the Lenders that have agreed so to extend the Term Loan Maturity Date shall be more than 50% of the aggregate amount of the Term Loans outstanding immediately prior to the Extension Effective Date;

(iii) as of the date of such extension, and after giving effect thereto, the representations, warranties of the Borrower and the other Loan Parties herein and in the other Loan Documents shall be true and correct in all material respects (unless qualified by materiality or reference to the absence of a Material Adverse Change, in which event shall be true and correct), except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct as of such earlier date, and except that for purposes of this Section 5.16, the representations and warranties contained in Section 6.6 shall be deemed to refer to the most recent statements furnished pursuant to Section 8.11 (and the Borrower and each other Loan Party shall be deemed to have made all such representations and warranties on the proposed Extension Effective Date);

(iv) no Event of Default or Potential Default shall have occurred and be continuing on the date of such extension and after giving effect thereto;

(v) the Borrower shall deliver or cause to be delivered any customary legal opinions or other documents (including, without limitation, a resolution duly adopted by the board of directors (or equivalent governing body) of each Loan Party authorizing such extension) reasonably requested by Administrative Agent in connection with any such extension;

(vii) if such extension is being effectuated in accordance with the last paragraph of Section 12.1 pursuant to which the terms of such extended Loans or Commitments are being amended, an amendment entered into by the parties required by such provision shall have become effective.

Any proposed Incremental Lender offered or approached to provide all or a portion of any Incremental Loan Commitment may elect or decline, in its sole discretion, to provide such Incremental Loan Commitment. (iii) each of the representations and warranties contained in Article 6 shall be true and correct in all material respects, except to the extent any such representation and warranty is qualified by materiality or reference to Material Adverse Change, in which case, such representation and warranty shall be true, correct and complete in all respects, on such Increased Amount Date (regardless of whether the Incremental Loan Commitments, as applicable, are actually drawn on the Increased Amount Date) with the same effect as if made on and as of such date (except for any such representation and warranty that by its terms is made only as of an earlier date, which representation and warranty shall remain true and correct as of such earlier date); provided that in connection with a requested borrowing of any Incremental Term Loan for the sole express purpose of financing in whole or in part the purchase price for a Limited Condition Transaction, (i) such representations and warranties shall be true and correct in all material respects (except to the extent any such representation and warranty is qualified by materiality or reference to Material Adverse Change, in which case, such representation and warranty shall be true, correct and complete in all respects) on and as of the date of effectiveness of the definitive purchase agreement for such Limited Condition Transaction and (ii) the representations and warranties

required to be correct and accurate at the time of the closing of such Limited Condition Transaction and funding of any applicable Incremental Term Loan will be limited to the Specified Representations;

(iv) the proceeds of any Incremental Loans shall be used for general corporate purposes of the Borrower and its Subsidiaries (including Permitted Acquisitions);

(1) in the case of each Incremental Term Loan:

(I) such Incremental Term Loan will mature and amortize in a manner reasonably acceptable to the Administrative Agent, the Incremental Lenders making such Incremental Term Loan and the Borrower, but will not in any event have a shorter weighted average life to maturity than the remaining weighted average life to maturity (as reasonably determined by the Administrative Agent) of the initial Term Loans or a maturity date earlier than the Term Loan Maturity Date;

(II) the Applicable Margin and pricing grid, if applicable, for such Incremental Term Loan shall be determined by the Administrative Agent, the applicable Incremental Lenders and the Borrower on the applicable Increased Amount Date;

(III) any Incremental Lender making any Incremental Term Loan shall be entitled to the same voting rights as the existing Lenders under the Term Loan Facility and (unless otherwise agreed by the applicable Incremental Lenders; provided that no such agreement shall allow the Incremental Term Loans to be prepaid prior to the initial Term Loans) each Incremental Term Loan shall receive proceeds of prepayments on the same basis as the initial Term Loans (such prepayments to be shared pro rata on the basis of the original aggregate funded amount thereof); and

(IV) except as provided above, all other terms and conditions applicable to such Incremental Term Loan shall, except to the extent otherwise provided in this Section 5.17, be identical to the terms and conditions applicable to the initial Term Loans;

(2) in the case of each Incremental Revolving Credit Increase:

(I) such Incremental Revolving Credit Increase shall be part of the Revolving Credit Facility, shall mature on the Expiration Date, shall bear interest and be entitled to fees, in each case at the rate applicable to the Revolving Credit Facility, and shall otherwise be subject to the same terms and conditions as the Revolving Credit Facility (other than with respect to the payment of any upfront and/or arrangement fees in connection with the establishment thereof);

(II) any Incremental Lender making any Incremental Revolving Credit Increase shall be entitled to the same voting rights as the existing Lenders under the Revolving Credit Facility and (unless otherwise agreed by the applicable Incremental Lenders; provided that no such agreement shall allow the Revolving Credit Commitments with respect to the Incremental Revolving Credit Increase to be terminated prior to termination of the existing Revolving Credit Commitments) each Revolving Credit Loan funded by an Incremental Revolving Credit Increase shall receive proceeds of prepayments on the same basis as the existing Revolving Credit Loans (such prepayments to be shared pro rata on the basis of the original aggregate funded amount thereof); and

(III) the outstanding Revolving Credit Loans and Ratable Shares of Swingline Loans and Letter of Credit Obligations will be reallocated by the Administrative Agent on the applicable Increased Amount Date among the Lenders to the Revolving Credit Facility (including the Incremental Lenders providing such Incremental Revolving Credit Increase) in accordance with their revised Ratable Shares (and the Lenders to the Revolving Credit Facility (including the Incremental Lenders providing such Incremental Revolving Credit Increase) agree to make all payments and adjustments necessary to effect such reallocation and the Borrower shall pay any and all costs required).

(3) Incremental Loan Commitments shall be effected pursuant to such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 5.17, without the consent of any other Lenders; and

(4) the Borrower shall deliver or cause to be delivered any customary legal opinions or other documents (including, without limitation, a resolution duly adopted by the board of directors (or equivalent governing body) of each Loan Party authorizing such Incremental Loans and/or Incremental Loan Commitments) reasonably requested by Administrative Agent in connection with any such transaction.

(c) The Incremental Lenders shall be included in any determination of the Required Lenders and, unless otherwise agreed, the Incremental Lenders will not constitute a separate voting class for any purposes under this Agreement.

(d) On any Increased Amount Date on which any Incremental Term Loan Commitment becomes effective, subject to the foregoing terms and conditions, each Incremental Lender with an Incremental Term Loan Commitment shall make, or be obligated to make, an Incremental Term Loan to the Borrower in an amount equal to its Incremental Term Loan Commitment and shall become a Lender hereunder with respect to such Incremental Term Loan Commitment and the Incremental Term Loan made pursuant thereto.

(e) On any Increased Amount Date on which any Incremental Revolving Credit Increase becomes effective, subject to the foregoing terms and conditions, each Incremental Lender with an Incremental Revolving Credit Commitment shall become a Lender under the Revolving Credit Facility hereunder with respect to such Incremental Revolving Credit Commitment.

(iii) is duly licensed or qualified and in good standing under the laws of each jurisdiction where its ownership, lease or operations of properties, or the conduct of its business, requires such qualification except, in each case referred to in this clause (a)(iii), to the extent failure to do so would not reasonably be expected to have or result in a Material Adverse Change;

(iv) has full power and authority to enter into, execute, deliver and carry out this Agreement and the other Loan Documents to which it is a party, to incur the Indebtedness contemplated by the Loan Documents and to perform its Obligations, and all such actions have been duly authorized by all necessary action and proceedings on its part;

(vi) has good and marketable title to or valid leasehold interest in all properties, assets and other rights which it purports to own or lease or which are reflected as owned or leased on its books and records, free and clear of all Liens and encumbrances other than Permitted Liens, except where the failure to do so, either individually or in the aggregate, would not reasonably be expected to have or result in a Material Adverse Change; and

(vii) has procured all material import, export or other licenses, permits or certificates for the import or handling of any goods or other Collateral imported or handled in the Ordinary Course of Business and such licenses permits or certificates are in effect, and the Loan Parties and their respective Subsidiaries have complied with all foreign and domestic laws with respect to the shipment and importation of any goods or Collateral, except where such noncompliance, non-procurement or non-effectiveness could not reasonably be expected to have or result in a Material Adverse Change.

(b) No Event of Default or Potential Default has occurred and is continuing or would result from the performance by any Loan Party of its Obligations.

6.2 Loan Parties; Subsidiaries and Owners; Investment Companies. All of the Equity Interests in each Loan Party outstanding have been duly authorized and validly issued and are fully paid and non-assessable (to the extent that the jurisdiction of formation of such entity has such concepts). 6.3 Validity and Binding Effect. This Agreement has been, and each of the other Loan Documents when delivered will have been, (a) duly authorized, validly executed and delivered by each Loan Party, and (b) constitutes, or will constitute, legal, valid and binding obligations of each Loan Party which is or will be a party thereto, enforceable against such Loan Party in accordance with its terms, except as the enforceability may be limited by applicable bankruptcy, insolvency, reorganization, receivership, moratorium and other applicable Laws affecting creditors' rights generally and by the application of general equitable principles (whether considered in proceedings at law or in equity).

6.4 No Conflict; Material Agreements; Consents. Neither the execution and delivery of this Agreement or the other Loan Documents by any Loan Party nor the consummation of the transactions herein or therein contemplated or compliance with the terms and provisions hereof or thereof by any of them will conflict with, constitute a default under or result in any breach of (a) the terms and conditions of the certificate of incorporation, bylaws, certificate of limited partnership, partnership agreement, certificate of formation, limited liability company agreement or other organizational documents of any Loan Party or (b) any applicable Law or any material agreement or instrument or order, writ, judgment, injunction or decree to which any Loan Party or any of its Subsidiaries is a party or by which it or any of its Subsidiaries is bound or to which it is subject or by which it is affected, or result in the creation or enforcement of any Lien whatsoever upon any property (now or hereafter acquired) of any Loan Party or any of its Subsidiaries (other than Liens granted under the Loan Documents). There is no default by any Loan Party or any of its Subsidiaries under any such material agreement (referred to above) and none of the Loan Parties or their Subsidiaries is bound by any contractual obligation, or subject to any restriction in any organization document, or any requirement of Law which, in each instance, would reasonably be expected to have or result in a Material Adverse Change. No consent, approval, exemption, order or authorization of, or a registration or filing with, or notice to, any Official Body or any other Person is required by any applicable Law or any agreement in connection with the execution, delivery and performance by any Loan Party of this Agreement and the other Loan Documents, except such as has been obtained or issued or are necessary to perfect Liens created pursuant to the Loan Documents. All necessary import, export or other licenses, permits or certificates for the import or handling of any goods or other Collateral have been procured and are in effect, and the Loan Parties and Subsidiaries have complied with all applicable foreign and domestic laws with respect to the shipment and importation of any goods or Collateral, except where the failure to procure, maintain, or comply would not reasonably be expected to have or result in a Material Adverse Change.

6.5 Litigation. There are no actions, suits, claims, proceedings or investigations pending or, to the knowledge of any Loan Party, threatened in writing against such Loan Party or any Subsidiary of such Loan Party or any of their properties at law or in equity before any Official Body which (a) individually or in the aggregate would reasonably be expected to result in any Material Adverse Change or (b) purport to affect the legality, validity, binding effect or enforceability of any aspect of this Agreement or any other Loan Document. The Statements present fairly in all material respects the consolidated financial position of Holdings and its Subsidiaries as of the respective dates thereof and the results of operations for the fiscal periods then ended in accordance with GAAP consistently applied throughout the period covered thereby, subject (in the case of the interim statements) only to normal year-end audit adjustments and the absence of footnotes.

(b) Financial Projections. The Borrower has delivered to the Administrative Agent a summary of projected financial statements (including, without limitation, statements of operations together with a detailed explanation of the assumptions used in preparing such projected financial statements) of Holdings and its Subsidiaries for the period from the Closing Date through July 23, 2026 derived from various assumptions of the Loan Parties' management (the "Projections"). The Projections represent a reasonable range of possible results in light of the history of the business, present and foreseeable conditions and the intentions of Holdings' management, it being understood that such Projections are (i) as to future events and not to be viewed as facts, (ii) are subject to significant uncertainties and contingencies, many of which are beyond the Loan Parties' control, and (iii) no assurance can be given that the Projections will be realized.

6.7 No Material Adverse Change. Since December 31, 2020, there has been no event or circumstance that has had or would reasonably be expected to have or result in a Material Adverse Change.

6.8 Margin Stock. None of the Loan Parties or any Subsidiaries of any Loan Party engages or intends to engage principally, or as one of its important activities, in the business of extending credit for the purpose, immediately, incidentally or ultimately, of purchasing or carrying margin stock (within the meaning of Regulation U, T or X as promulgated by the Board of Governors of the Federal Reserve System). No part of the proceeds of any Loan has been or will be used, immediately, incidentally or ultimately, to purchase or carry any margin stock or to extend credit to others for the purpose of purchasing or carrying any margin stock or which is inconsistent with the provisions of the regulations of the Board of Governors of the Federal Reserve System. None of the Loan Parties or any Subsidiary of any Loan Party holds or intends to hold margin stock in such amounts that more than 25% of the reasonable value of the assets of any Loan Party or Subsidiary of any Loan Party are or will be represented by margin stock.

6.9 Full Disclosure. The Loan Parties have disclosed to the Lenders all agreements, instruments and corporate or other restrictions to which any Loan Party or any Subsidiary is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result

None of the reports, financial statements, certificates or other information furnished by or on behalf of any Loan Party or any Subsidiary to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document (as modified or supplemented by other information so furnished), taken as a whole, contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading in any material respect; provided that, with respect to projected financial information, the Loan Parties represent only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time delivered and, if such projected financial information was delivered prior to the Closing Date, as of the Closing Date (it being understood that forecasts and projections are subject to contingencies and no assurance can be given that any forecast or projection will be realized).

6.10 Taxes. All federal and state income tax returns and all other material tax returns required by Law to have been filed with respect to each Loan Party and each Subsidiary of each Loan Party have been filed, and payment or adequate provision has been made for the payment of all federal and state income taxes and all other material taxes, fees, assessments and other governmental charges which have or may become due pursuant to said returns or otherwise levied or imposed upon them, their properties, income or assets which are due and payable, except to the extent that such taxes, fees, assessments and other charges are being contested in good faith by appropriate proceedings diligently conducted and for which such reserves or other appropriate provisions, if any, as shall be required by GAAP, shall have been made.

6.11 Intellectual Property. Each Loan Party and each Subsidiary owns or has the lawful right to use all Intellectual Property used in its business, without conflict with any rights of others that would reasonably be expected to have or result in a Material Adverse Change. Except as disclosed on Schedule 6.11, there are no pending or, to any Loan Party's knowledge, threatened Intellectual Property Claims with respect to any Loan Party, any Subsidiary or any of their property (including any Intellectual Property) that has resulted or could reasonably be expected to result in liability of a Loan Party with respect to any such Intellectual Property Claim in excess of \$3,000,000. Except as disclosed on Schedule 6.11, no Loan Party nor any Subsidiary pays or owes any Royalty or other compensation to any Person with respect to any Intellectual Property except for Royalties and compensation paid or owed in connection with off-the-shelf software used in the Ordinary Course of Business or Royalties and compensation paid or owed in an amount less than \$5,000,000 through the Term Loan Maturity Date. (a) Each Loan Party and its Subsidiaries has good record and marketable title in fee simple to all real property owned by such Loan Party or Subsidiary, or valid leasehold interests in all real property leased by such Loan Party or Subsidiary, except for such defects in title or leasehold interest as would not reasonably be expected to have or result in a Material Adverse Change.

(b) The Liens in the Collateral granted to the Administrative Agent for the benefit of the Secured Parties pursuant to the Collateral Documents constitute and will continue to constitute first priority, perfected security interests, except in the case of (i) Permitted Liens, to the extent any such Permitted Liens would have priority over Liens in favor of the Administrative Agent pursuant to any applicable Law and (ii) Liens perfected only by possession, to the extent the Administrative Agent has not obtained or does not maintain possession of such Collateral.

6.13 Insurance. The properties of each Loan Party and each of its Subsidiaries are insured pursuant to policies and other bonds which are valid and in full force and effect and which provide coverage from reputable and financially sound insurers which are not Affiliates of any Loan Party in amounts, subject to deductibles and self-insurance retentions and covering such assets and risks, which are customarily maintained by comparable companies engaged in the same business as such Loan Party and its Subsidiaries in the locations where the applicable Loan Party conducts business.

Each Plan that is intended to qualify under Section 401(a) of the Code has received from the IRS a favorable determination or opinion letter, which has not by its terms expired, that such Plan is so qualified, or such Plan is entitled to rely on an IRS advisory or opinion letter with respect to an IRS-approved master and prototype or volume submitter plan, or a timely application for such a determination or opinion letter is currently being processed by the IRS with respect thereto; and, to the best knowledge of Borrower, nothing has occurred which would prevent, or cause the loss of, such qualification. Borrower and each member of the ERISA Group have made all required contributions to each Pension Plan subject to Sections 412 or 430 of the Code, and no application for a funding waiver or an extension of any amortization period pursuant to Sections 412 or 430 of the Code has been made with respect to any Pension Plan.

There has been no prohibited transaction or violation of the fiduciary responsibility rules with respect to any Plan that has resulted or would reasonably be expected to have or result in a Material Adverse Change.

(b) Except as would not reasonably be expected to have or result in a Material Adverse Change (i) No ERISA Event has occurred or is reasonably expected to occur; (ii) no Pension Plan has any unfunded pension liability (i.e., excess of benefit liabilities over the current value of that Pension Plan's assets, determined pursuant to the assumptions used for funding the Pension Plan for the applicable plan year in accordance with Section 430 of the Code); (iii) neither Borrower nor any member of the ERISA Group has incurred, or reasonably expects to incur, any liability under Title IV of ERISA with respect to any Pension Plan (other than premiums due and not delinquent under Section 4007 of ERISA); (iv) neither Borrower nor any member of the ERISA Group has incurred, or reasonably expects to incur, any liability (and, to the knowledge of the Loan Parties, no event has occurred which, with the giving of notice under Section 4219 of ERISA, would result in such liability) under Section 4201 of ERISA, with respect to a Multiemployer Plan; (v) neither Borrower nor any member of the ERISA Group has received notice pursuant to Section 4242(a)(1)(B) of ERISA that a Multiemployer Plan is in reorganization and that additional contributions are due to the Multiemployer Plan pursuant to Section 4243 of ERISA; (vi) neither Borrower nor any member of the ERISA Group has engaged in a transaction that could be subject to Sections 4069 or 4212(c) of ERISA; and (vii) no Pension Plan or Multiemployer Plan has been terminated by the plan administrator thereof nor by the PBGC, and, to the knowledge of the Loan Parties, no event or circumstance has occurred or exists that could reasonably be expected to cause the PBGC to institute proceedings under Title IV of ERISA to terminate any Pension Plan or Multiemployer Plan.

6.15 Environmental Matters.

(a) Except as disclosed on Schedule 6.15, each Loan Party is, and for the past five (5) years has been, in material compliance with applicable Environmental Laws. The matters described on Schedule 6.15 could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Change.

(b) Neither any Loan Party or any of its Subsidiaries nor, to the knowledge of Borrower, any other Person has caused any release of any Hazardous Materials at or from properties owned, lease or operated by any Loan Party in violation of or in a manner that could give rise to liability under applicable Environmental Laws that could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Change.

(i) A breach, default or event of default shall occur at any time under the terms of any one or more other agreements with respect to Material Indebtedness under which any Loan Party or Subsidiary of any Loan Party may be obligated as a borrower or guarantor, and such breach, default or event of default either (A) consists of the failure to pay (beyond any period of grace permitted with respect thereto, whether waived or not) any such Material Indebtedness when due (whether at stated maturity, by acceleration or otherwise) or (B) causes, or permits the holder or holders of such Material Indebtedness or the beneficiary or beneficiaries of such guarantee (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Material Indebtedness to be demanded or to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Material Indebtedness to be made, prior to its stated maturity, or such guarantee to become payable or cash collateral in respect thereof to be demanded; or (ii) there occurs any default or event of default under any Canadian Obligation Loan Document; or

(f) Final Judgments or Orders.

(i) Any final judgments or orders for the payment of money in excess of \$3,000,000 in the aggregate (to the extent not covered by insurance or indemnities as to which the applicable insurance company or third party has been notified of the claim and has confirmed coverage) shall be entered against any Loan Party by a court having jurisdiction in the premises, and with respect to which either (A) enforcement proceedings are commenced by any creditor upon such judgment or order, or (B) there is a period of thirty (30) consecutive days during which a stay of enforcement of such judgment or order, by reason of a pending appeal or otherwise, is not in effect; or

(ii) any non-monetary final judgment or order shall be rendered against Holdings, any Borrower or any Subsidiary that would reasonably be expected to have or result in a Material Adverse Change, and there is a period of thirty (30) consecutive days during which a stay of enforcement of such judgment or order, by reason of appeal or otherwise, is not in effect; or

(g) Loan Document Unenforceable. Any of the Loan Documents shall cease to be legal, valid and binding agreements enforceable against the party executing the same or such party's successors and assigns (as permitted under the Loan Documents) in accordance with the respective terms thereof or shall in any way be terminated (except in accordance with its terms) or become or be declared ineffective or inoperative or shall in any way be challenged or contested or cease to give or provide the respective Liens, security interests, rights, titles, interests, remedies, powers or privileges intended to be created thereby; or

(h) Events Relating to Pension Plans and Multiemployer Plans. An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan which has resulted or could reasonably be expected to result in liability of Borrower or any member of the ERISA Group under Title IV of ERISA to the Pension Plan, Multiemployer Plan or the PBGC in an aggregate amount in excess of \$3,000,000 at any one time, or Borrower or any member of the ERISA Group fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan, where the aggregate amount of unamortized withdrawal liability is in excess of \$3,000,000 at any one time; or

(i) Change of Control. A Change of Control shall occur; or

(j) Relief Proceedings; Solvency; Attachment. Either (i) a Relief Proceeding shall have been instituted against any Loan Party or Subsidiary of a Loan Party or a substantial part of the assets of any Loan Party or Subsidiary and such Relief Proceeding shall remain undismissed or unstayed and in effect for a period of thirty (30) consecutive days or such court shall enter a decree or order granting any of the relief sought in such Relief Proceeding, (ii) any Loan Party or Subsidiary of a Loan Party institutes, or takes any action in furtherance of, a Relief Proceeding, (iii) any Loan Party or any Subsidiary of a Loan Party ceases to be Solvent or admits in writing its inability to pay its debts as they mature or (iv) any writ or warrant of attachment or execution or similar process is issued or levied against all or any material part of the property of any Loan Party or any Subsidiary of any Loan Party and is not released, vacated or fully bonded within thirty (30) days after its issue or levy; or

(k) Subordinated Indebtedness. Any default or event of default (after giving effect to any grace period) shall have occurred and be continuing under the Subordinated Debt Documents or any Subordinated Debt Document shall cease to be in full force and effect or the validity or enforceability thereof is disaffirmed by or on behalf of any subordinated lender party thereto, or any Obligations fail to constitute "Senior Indebtedness" for purposes of the applicable Subordinated Debt Document, or all or any

part of the Subordinated Indebtedness is accelerated, is declared to be due and payable is required to be prepaid or redeemed, in each case prior to the stated maturity thereof.

10.2 Consequences of Event of Default.

(a) Generally. If any Event of Default specified under Section 10.1 shall occur and be continuing, the Lenders and the Administrative Agent shall be under no further obligation to make Loans and no Issuing Lender shall be under any obligation to issue Letters of Credit and the Administrative Agent may, and upon the request of the Required Lenders shall, take any or all of the following actions:

(i) declare the commitment of each Lender to make Loans and any obligation of the Issuing Lenders to issue, amend or extend Letters of Credit to be terminated, whereupon such commitments and obligation shall be terminated;

(ii) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(iii) require the Borrower to, and the Borrower shall thereupon, deposit in a non-interest-bearing account with the Administrative Agent, as Cash Collateral for its Obligations under the Loan Documents, an amount equal to the maximum amount currently or at any time thereafter available to be drawn on all outstanding Letters of Credit, and the Borrower hereby pledges to the Administrative Agent and the Lenders, and grants to the Administrative Agent and the Lenders a security interest in, all such cash as security for such Obligations; and

(iv) exercise on behalf of itself, the Lenders and the Issuing Lenders all rights and remedies available to it, the Lenders and the Issuing Lenders under the Loan Documents;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, the obligation of each Lender to make Loans and any obligation of the Issuing Lenders to issue, amend or extend any Letter of Credit shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Borrower to provide cash collateral as specified in clause (iii) above shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

(b) Set-off. If an Event of Default shall have occurred and be continuing, each Lender, each Issuing Lender, and each of their respective Affiliates and any participant of such Lender or Affiliate which has agreed in writing to be bound by the provisions of Section 5.5, after obtaining the prior written consent of the Administrative Agent, is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, such Issuing Lender or any such Affiliate or participant to or for the credit or the account of any Loan Party against any and all of the Obligations of such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, such Issuing Lender, Affiliate or participant, irrespective of whether or not such Lender, such Issuing Lender, Affiliate or participant shall have made any demand under this Agreement or any other Loan Document and although such Obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender or such Issuing Lender different from the branch or office holding such deposit or obligated on such Indebtedness; provided that in the event that any Defaulting Lender shall

exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 5.15 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Lenders, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, each Issuing Lender and their respective Affiliates and participants under this Section 10.2 are in addition to other rights and remedies (including other rights of setoff) that such Lender, such Issuing Lender or their respective Affiliates and participants may have. Each Lender and each Issuing Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application; and

(c) Enforcement of Rights and Remedies. Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with this Section 10.2 for the benefit of all the Lenders and the Issuing Lenders and the other Secured Parties; provided that the foregoing shall not prohibit (i) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (ii) any Issuing Lender or the Swingline Loan Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as an Issuing Lender or Swingline Loan Lender, as the case may be) hereunder and under the other Loan Documents, (iii) any Lender from exercising setoff rights in accordance with Section 10.2(b) (subject to the terms of Section 5.5), or (iv) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Insolvency Proceeding; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (A) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to this Section 10.2(c), and (B) in addition to the matters specified in clauses (ii), (iii) and (iv) of the preceding proviso and subject to Section 5.5, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

10.3 Application of Proceeds. From and after the date on which the Administrative Agent has taken any action pursuant to Section 10.2 (or after the Loans have automatically become immediately due and payable and the Letter of Credit Obligations have automatically been required to be Cash Collateralized as specified in the proviso to Section 10.2(a)) and until the Facility Termination Date, any and all proceeds received on account of the Obligations shall (subject to Sections 5.15 and 10.2(a)(iii)) be applied as follows:

(a) First, to payment of that portion of the Obligations constituting fees (other than Letter of Credit Fees), indemnities, expenses and other amounts, including attorney fees, payable to the Administrative Agent in its capacity as such, any Issuing Lender in its capacity as such and the Swingline Loan Lender in its capacity as such, ratably among the Administrative Agent, such Issuing Lender and Swingline Loan Lender in proportion to the respective amounts described in this clause First payable to them;

(b) Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal, interest and Letter of Credit Fees) payable to the Lenders under the Loan Documents and the Canadian Obligation Providers under the Canadian Obligation Loan Documents, including attorney fees, ratably among the Lenders and the Canadian Obligation Providers in proportion to the respective amounts described in this clause Second payable to them;

(c) Third, to payment of that portion of the Obligations constituting accrued and unpaid Letter of Credit Fees and interest on the Loans and Reimbursement Obligations and accrued and unpaid interest under the Canadian Obligation Loan Documents, ratably among the Lenders, the Canadian Obligation Providers and the Issuing Lenders in proportion to the respective amounts described in this clause Third payable to them;

(d) Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, Reimbursement Obligations, payment obligations then owing under Lender Provided Interest Rate Hedges, Lender Provided Foreign Currency Hedges and Other Lender Provided Financial Service Products, and the unpaid principal amount of the Canadian Subsidiary Obligations, ratably among the Lenders, the Issuing Lenders, the applicable Cash Management Banks, the applicable Hedge Banks, and the Canadian Obligation Providers in proportion to the respective amounts described in this clause Fourth held by them;

(e) Fifth, to the Administrative Agent for the account of the Issuing Lenders, to Cash Collateralize any undrawn amounts under outstanding Letters of Credit (to the extent not otherwise cash collateralized pursuant to this Agreement); and

(f) Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law.

Amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fifth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order specified above.

Notwithstanding anything to the contrary in this Section 10.3, no Swap Obligations of any Non-Qualifying Party shall be paid with amounts received from such Non-Qualifying Party under its Guaranty Agreement (including sums received as a result of the exercise of remedies with respect to such Guaranty Agreement) or from the proceeds of such Non-Qualifying Party's Collateral if such Swap Obligations would constitute Excluded Hedge Liabilities; provided that to the extent possible appropriate adjustments shall be made with respect to payments and/or the proceeds of Collateral from other Loan Parties that are Eligible Contract Participants with respect to such Swap Obligations to preserve the allocation to Obligations otherwise specified above in this Section 10.3.

In addition, notwithstanding the foregoing, Obligations arising under Lender Provided Interest Rate Hedges, Lender Provided Foreign Currency Hedges and Other Lender Provided Financial Service Products shall be excluded from the application described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation, as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. Each Cash Management Bank or Hedge Bank not a party to the Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article 11 hereof for itself and its Affiliates as if a "Lender" party hereto.

ARTICLE 11 THE ADMINISTRATIVE AGENT

11.1 Appointment and Authority. Each of the Lenders and each Issuing Lender hereby irrevocably appoints PNC Bank, National Association to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such

actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article 11 are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties.

11.2 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with, the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

11.3 Exculpatory Provisions.

(a) The Administrative Agent shall not have any duties or obligations except those expressly specified herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Potential Default or Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(iii) shall not, except as expressly specified herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(b) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 12.1 and 10.2), or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any

Potential Default or Event of Default unless and until notice describing such Potential Default or Event of Default is given to the Administrative Agent in writing by the Borrower, a Lender or an Issuing Lender.

(c) The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions specified herein or therein or the occurrence of any Potential Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition specified in Article 7 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

11.4 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Issuing Lender unless the Administrative Agent shall have received notice to the contrary from such Lender or such Issuing Lender prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

11.5 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article 11 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Facilities as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

11.6 Resignation of Administrative Agent.

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders, the Issuing Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower (so long as no Potential Default or Event of Default has occurred and is continuing), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring

Administrative Agent may (but shall not be obligated to), on behalf of the Lenders and the Issuing Lenders, appoint a successor Administrative Agent meeting the qualifications specified above; provided that in no event shall any such successor Administrative Agent be a Defaulting Lender. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and, in consultation with the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days (or such earlier day as shall be agreed by the Required Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (ii) except for any indemnity payments owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each Issuing Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring or removed Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article 11 and Section 12.3 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

11.7 Non-Reliance on Administrative Agent and Other Lenders. Each Lender and each Issuing Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

11.8 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the bookrunners, arrangers, syndication agents, or documentation agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or an Issuing Lender hereunder.

11.9 Administrative Agent's Fee. The Borrower shall pay to the Administrative Agent a nonrefundable fee (the "Administrative Agent's Fee") under the terms of a letter (the "Administrative Agent's Letter") between the Borrower and Administrative Agent, as amended from time to time.

11.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or Letter of Credit Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Lenders and the Administrative Agent under Sections 2.8(b) and 12.3) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 12.3.

11.11 Collateral and Guaranty Matters.

(a) Each of the Secured Parties irrevocably authorizes the Administrative Agent, at its option and in its discretion,

(i) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (x) upon the Facility Termination Date, (y) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Loan Documents, or (z) subject to Section 12.1, if approved, authorized or ratified in writing by the Required Lenders;

(ii) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by clause (h) of the definition of "Permitted Liens"; and

(iii) to release any Guarantor from its obligations under the Guaranty Agreement if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Loan Documents.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or

items of property, or to release any Guarantor from its obligations under the Guaranty Agreement pursuant to this Section 11.11.

(b) The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

11.12 No Reliance on Administrative Agent's Customer Identification Program. Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on the Administrative Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to the USA PATRIOT Act or the regulations thereunder, including the regulations contained in 31 CFR 103.121 (as hereafter amended or replaced, the "CIP Regulations"), or any other Anti-Terrorism Law or any Anti-Corruption Law, including any programs involving any of the following items relating to or in connection with any of the Loan Parties, their Affiliates or their agents, the Loan Documents or the transactions hereunder or contemplated hereby: (i) any identity verification procedures, (ii) any recordkeeping, (iii) comparisons with government lists, (iv) customer notices or (v) other procedures required under the CIP Regulations or such other Laws.

11.13 Lender Provided Interest Rate Hedges, Lender Provided Foreign Currency Hedges, Other Lender Provided Financial Service Products and Canadian Subsidiary Obligations. Except as otherwise expressly specified herein, no Cash Management Bank, Hedge Bank or Canadian Obligation Provider that obtains the benefits of Section 10.3, the Guaranty Agreement or any Collateral by virtue of the provisions hereof or of the Guaranty Agreement or any Loan Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article 11 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Lender Provided Interest Rate Hedges, Lender Provided Foreign Currency Hedges, Other Lender Provided Financial Service Products, and/or Canadian Subsidiary Obligations unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank, Hedge Bank or Canadian Obligation Provider, as the case may be.

11.14 ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, Administrative Agent and the Lead Arrangers and their respective Affiliates, and for the benefit of Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) none of the Administrative Agent or the Lead Arrangers or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto),

A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Lender or Secured Party, or any Person who has received funds on behalf of a Lender, an Issuing Lender or Secured Party, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, such Issuing Lender or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, Issuing Lender or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 11.15(b).

(c) Each Lender, Issuing Lender or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, Issuing Lender or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, Issuing Lender or Secured Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (a), from any Lender or any Issuing Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender or such Issuing Lender at any time, (i) such Lender or such Issuing Lender shall be deemed to have assigned its Loans (but not its Commitments) of the relevant class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption Agreement with respect to such Erroneous Payment Deficiency Assignment, and such Lender or such Issuing Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender or an Issuing Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender or assigning Issuing Lender shall cease to be a Lender or an Issuing Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender or assigning Issuing Lender and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender or applicable Issuing Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender or such Issuing Lender (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender or any Issuing Lender and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion

thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender, Issuing Lender or Secured Party under the Loan Documents with respect to each Erroneous Payment Return Deficiency (the “Erroneous Payment Subrogation Rights”).

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Loan Party for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on “discharge for value” or any similar doctrine

(g) Each party’s obligations, agreements and waivers under this Section 11.15 shall survive the resignation or replacement of the Administrative Agent, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

ARTICLE 12
MISCELLANEOUS

12.1 Modifications, Amendments or Waivers. With the written consent of the Required Lenders (or as expressly provided by Section 5.17), the Administrative Agent, acting on behalf of all the Lenders, and the Borrower, on behalf of the Loan Parties, may from time to time enter into written agreements amending or changing any provision of this Agreement or any other Loan Document or the rights of the Lenders or the Loan Parties hereunder or thereunder, or may grant written waivers or consents hereunder or thereunder. Any such agreement, waiver or consent made with such written consent shall be effective to bind all the Lenders and the Loan Parties; provided, that no such agreement, waiver or consent may be made which will:

(a) Increase of Commitment. Increase the amount of the Revolving Credit Commitment or Term Loan Commitment of any Lender hereunder without the consent of such Lender;

(b) Extension of Payment; Reduction of Principal, Interest or Fees; Modification of Terms of Payment. Whether or not any Loans are outstanding, extend the Expiration Date or the scheduled time for payment of principal or interest of any Loan (excluding the due date of any mandatory prepayment of a Loan), the Commitment Fee or any other fee payable to any Lender, or reduce the principal amount of or the stated rate of interest borne by any Loan (other than as a result of waiving the applicability of any post-default increase in interest rates) or reduce the stated rate of the Commitment Fee or any other fee payable to any Lender, without the consent of each Lender directly affected thereby (provided that any amendment or modification of defined terms used in the financial covenants of this Agreement shall not constitute a reduction in the stated rate of interest or fees for purposes of this clause (b));

(c) Release of Collateral or Guarantor. Except for sales of assets permitted by Section 9.6, release all or substantially all of the Collateral or release all or substantially all the value of the

Guarantors from their Obligations under the Guaranty Agreement, in each case without the consent of all Lenders (other than Defaulting Lenders);

(d) Class Voting. Directly and materially adversely affect the rights of Lenders holding Commitments or Loans of one Class differently from the rights of Lenders holding Commitments or Loans of any other Class without the written consent of the applicable Required Class Lenders;

(e) Miscellaneous. Amend Section 5.4, Section 11.3, Section 5.5, Section 10.3 or this Section 12.1, alter any provision regarding the pro rata treatment of the Lenders or requiring all Lenders to authorize the taking of any action or reduce any percentage specified in the definition of Required Lenders, in each case without the consent of all of the Lenders;

provided that (i) no agreement, waiver or consent which would modify the interests, rights or obligations of the Administrative Agent, any Issuing Lender, or the Swingline Loan Lender may be made without the written consent of the Administrative Agent, any Issuing Lender or the Swingline Loan Lender, as applicable, and (ii) the Administrative Agent's Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto, and provided, further, that, if in connection with any proposed waiver, amendment or modification referred to in Sections 12.1(a) through 12.1(d) above, there is a Non-Consenting Lender, then the Borrower shall have the right to replace any such Non-Consenting Lender with one or more replacement Lenders pursuant to Section 5.13. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

Notwithstanding any provision herein to the contrary, this Agreement may be amended to extend (x) the Expiration Date with respect to the Revolving Credit Commitments of Lenders under the Revolving Credit Facility that agree to such extension with respect to their Revolving Credit Commitments with the written consent of each such approving Lender, the Administrative Agent and the Borrower (and no other Lender) and, in connection therewith, to provide for different rates of interest and fees under the Revolving Credit Facility with respect to the portion of the Revolving Credit Commitments with an Expiration Date so extended; and/or (y) the Term Loan Maturity Date with respect to applicable Lenders that agree to such extension with respect to their Term Loans with the written consent of each such approving Lender, the Administrative Agent and the Borrower (and no other Lender) and, in connection therewith, to provide for different rates of interest and fees under the Term Loan Facility with respect to the portion thereof with a Term Loan Maturity Date so extended; provided that in each such case any such proposed extension of the Expiration Date or the Term Loan Maturity Date shall have been offered to each Lender with Loans or Commitments under the applicable Facility proposed to be extended, and if the consents of such Lenders exceed the portion of Commitments and Loans the Borrower wishes to extend, such consents shall be accepted on a *pro rata* basis among the applicable consenting Lenders. This paragraph shall apply to any Incremental Term Loans in the same manner as it applies to the Term Loan Facility; provided that any such offer may, at the Borrower's option, be made to the Lenders in respect of any tranche or tranches of Incremental Term Loans and/or any Term Loan Facility without being made to any other tranche of Incremental Term Loans or the Term Loan Facility, as the case may be.

In addition, notwithstanding the foregoing, (a) with the consent of the Borrower, the Administrative Agent may amend, modify or supplement any Loan Document without the consent of any Lender or the Required

Lenders in order to correct or cure any ambiguity, inconsistency or defect or correct any typographical or ministerial error in any Loan Document (provided that any such amendment, modification or supplement shall not be materially adverse to the interests of the Lenders taken as a whole), and (b) without the consent of any Lender or the Borrower, within a reasonable time after (i) the effective date of any increase or addition to, extension of or decrease from, the “Revolving Commitment Amount” set forth on Schedule 1.1(B), or (ii) any assignment by any Lender of some or all of its “Revolving Commitment Amount” set forth on Schedule 1.1(B), the Administrative Agent shall, and is hereby authorized to, revise Schedule 1.1(B) to reflect such change, whereupon such revised Schedule 1.1(B) shall replace the old Schedule 1.1(B) and become part of this Agreement.

12.2 No Implied Waivers; Cumulative Remedies. No course of dealing and no delay or failure of the Administrative Agent or any Lender in exercising any right, power, remedy or privilege under this Agreement or any other Loan Document shall affect any other or future exercise thereof or operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any further exercise thereof or of any other right, power, remedy or privilege. The enumeration of the rights and remedies of the Administrative Agent and the Lenders specified in this Agreement is not intended to be exhaustive and the exercise by the Administrative Agent and the Lenders of any right or remedy shall not preclude the exercise of any other rights or remedies, all of which shall be cumulative, and shall be in addition to any other right or remedy given hereunder or under the other Loan Documents or that may now or hereafter exist at law or in equity or by suit or otherwise.

No reasonable delay or failure to take action on the part of the Administrative Agent or any Lender in exercising any right, power or privilege shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege or shall be construed to be a waiver of any Event of Default.

12.3 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable fees, charges and disbursements of counsel for the Administrative Agent), and shall pay all reasonable and documented fees and time charges and disbursements for attorneys who may be employees of the Administrative Agent, in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by the Issuing Lenders in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, (iii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, any Lender or any Issuing Lender (including the fees, charges and disbursements of any outside counsel for the Administrative Agent, any Lender or any Issuing Lender), in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section 12.3(a), or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit, and (iv) all reasonable and documented out-of-pocket expenses of the Administrative Agent’s regular employees and agents engaged periodically to perform audits of the Loan Parties’ books, records and business properties.

(b) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent (and any sub-agent thereof), the Lead Arrangers, each Lender and each Issuing Lender, and each Related Party of any of the foregoing Persons (each such Person being called an

“Indemnitee”) against, and hold each Indemnitee harmless from (and shall reimburse each Indemnitee as the same are incurred), any and all losses, claims, damages, liabilities and related expenses (limited in case of legal fees and expenses to one counsel selected by the Administrative Agent for all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel selected by the Administrative Agent for all Indemnitees taken as a whole in each relevant material jurisdiction and, solely in the case of an actual or reasonably perceived conflict of interest, one additional counsel in each relevant material jurisdiction for each group of similarly situated Indemnitees, and, if reasonably necessary, one regulatory counsel in any material specialty), incurred by any Indemnitee or asserted against any Indemnitee by any Person (including the Borrower or any other Loan Party, or any affiliate of any such party) other than such Indemnitee and its Related Parties arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any Issuing Lender to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party or any affiliate of any such party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or (y) result from a claim brought by the Borrower or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee’s obligations hereunder or under any other Loan Document, if the Borrower or such Loan Party has obtained a final and non-appealable judgment in its favor on such claim as determined by a court of competent jurisdiction. This Section 12.3(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section 12.3 to be paid by it to the Administrative Agent (or any sub-agent thereof), each Issuing Lender, the Swingline Loan Lender or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), such Issuing Lender, such Swingline Loan Lender or such Related Party, as the case may be, such Lender’s pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender’s Ratable Share at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); provided that with respect to such unpaid amounts owed to any Issuing Lender or the Swingline Loan Lender solely in its capacity as such, only the Lenders with Revolving Credit Commitments shall be required to pay such unpaid amounts, such payment to be made severally among them based on such Lenders’ Ratable Share of the Revolving Credit Facility (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought); provided, further, that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), any Issuing Lender or the Swingline Loan Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), any Issuing Lender or the Swingline Loan Lender in connection with such capacity. The obligations of the Lenders under this paragraph (b) are subject to the provisions of Section 2.2.

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Law, neither the Borrower nor any of the Lenders shall assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in Section 12.3(a) shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, except to the extent such liability or damages are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee.

(e) Payments. All amounts due under this Section 12.3 shall be payable not later than thirty (30) days after written demand therefor.

(f) Survival. Each party's obligations under this Section 12.3 shall survive the termination of the Loan Documents and payment of the obligations hereunder.

12.4 Holidays. Whenever payment of a Loan to be made or taken hereunder shall be due on a day which is not a Business Day such payment shall be due on the next Business Day (except as provided in Section 4.2) and such extension of time shall be included in computing interest and fees, except that the Loans shall be due on the Business Day preceding the Expiration Date if the Expiration Date is not a Business Day. Whenever any payment or action to be made or taken hereunder (other than payment of the Loans) shall be stated to be due on a day which is not a Business Day, such payment or action shall be made or taken on the next following Business Day, and such extension of time shall not be included in computing interest or fees, if any, in connection with such payment or action.

12.5 Notices; Effectiveness; Electronic Communication

Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in paragraph (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows:

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic

communications, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or any Issuing Lender pursuant to Article 2 or Article 3 if such Lender or such Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under Article 2 or Article 3 by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(ii) The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower or the other Loan Parties, any Lender or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's, any Loan Party's or the Administrative Agent's transmission of communications through the Platform. "Communications" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed to the Administrative Agent, any Lender or any Issuing Lender by means of electronic communications pursuant to this Section 12.5, including through the Platform.

12.6 Severability. The provisions of this Agreement are intended to be severable. If any provision of this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting the validity or enforceability thereof in any other jurisdiction or the remaining provisions hereof in any jurisdiction. Without limiting the foregoing provisions of this Section 12.6, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, any Issuing Lender or the Swingline Loan Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

12.7 Duration; Survival. All representations and warranties of the Loan Parties contained herein or made in connection herewith shall survive the execution and delivery of this Agreement and the completion of the transactions hereunder, and shall continue in full force and effect until the Facility Termination Date. All covenants and agreements of the Borrower contained herein relating to the payment of principal, interest, premiums, additional compensation or expenses and indemnification, including those specified in the Notes, Section 5 and Section 12.3, shall survive the Facility Termination Date. All other covenants and agreements of the Loan Parties shall continue in full force and effect from and after the Closing Date and until the Facility Termination Date.

12.8 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder (including, in each case, by way of an LLC Division) without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 12.8(b), (ii) by way of participation in accordance with the provisions of Section 12.8(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 12.8(e) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 12.8(d) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that (in each case with respect to any Facility) any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it (in each case with respect to any Facility) or contemporaneous assignments to related Approved Funds (determined after giving effect to such assignments) that equal at least the amount specified in Section 12.8(b)(i)(B) in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in Section 12.8(b)(i)(A), the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption Agreement with respect to such assignment is delivered to the Administrative Agent or, if “Trade Date” is specified in the Assignment and Assumption Agreement, as of the Trade Date) shall not be less than \$5,000,000, in the case of any assignment in respect of the Revolving Credit Commitment of the assigning Lender, or \$2,500,000, in the case of the Term Loan of such assigning Lender, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement with respect to the Loan or the Commitment assigned provided, further, that the Borrower’s consent shall not be required during the primary syndication of the Facilities, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 12.8(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof; and provided, further, that the Borrower’s consent shall not be required during the primary syndication of the Facilities;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (i) the Revolving Credit Facility or any unfunded Commitments with respect to the Term Loan Facility if such assignment is to a Person that is not a Lender with a Commitment in respect of such Facility, an Affiliate of such Lender or an Approved Fund with respect to such Lender, or (ii) any Term Loans to a Person who is not a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the consent of each Issuing Lender and Swingline Loan Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the Revolving Credit Facility.

(iv) Assignment and Assumption Agreement. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption Agreement, together with a processing and recordation fee of \$3,500.00. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. No such assignment shall be made to (A) the Borrower or any of the Borrower’s Affiliates or Subsidiaries or (B) to any Defaulting

Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary thereof.

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural Person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person).

(vii) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto specified herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, each Issuing Lender, the Swingline Loan Lender and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Ratable Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(viii) Effectiveness; Release. Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c), from and after the effective date specified in each Assignment and Assumption Agreement, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption Agreement, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption Agreement, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption Agreement covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 4.4, 5.8, and 12.3 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.8(d).

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in Pittsburgh, Pennsylvania a copy of each Assignment and Assumption Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder

for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Administrative Agent, the Issuing Lenders and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 12.3 with respect to any payments made by such Lender to its Participant(s).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree (other than as is already provided for herein) to any amendment, modification or waiver with respect to Sections 12.1(a), 12.1(b), or 12.1(c) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 4.4, 5.8, 5.9 and 5.10 (subject to the requirements and limitations therein, including the requirements under Section 5.9(g) (it being understood that the documentation required under Section 5.9(g) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.8(b); provided that such Participant (A) agrees to be subject to the provisions of Section 5.13 as if it were an assignee under to Section 12.8(b); and (B) shall not be entitled to receive any greater payment under Sections 5.8 or 5.9, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 5.13 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.2(b) as though it were a Lender; provided that such Participant agrees to be subject to Section 5.5 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Certain Pledges; Successors and Assigns Generally. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure

obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Cashless Settlement. Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

(g) Arrangers/Bookrunners. Notwithstanding anything to the contrary contained in this Agreement, the name of any arranger and/or bookrunner listed on the cover page of this Agreement may be changed by the Administrative Agent to the name of any Lender or Lender's broker-dealer Affiliate, upon written request to the Administrative Agent by any such arranger and/or bookrunner and the applicable Lender or Lender's broker-deal Affiliate.

12.9 Confidentiality.

(a) General. Each of the Administrative Agent, the Lenders and the Issuing Lenders agree to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), in which case, except for requests in connection with regulatory examinations, the Administrative Agent, the Lenders and the Issuing Lenders agree to inform the Borrower promptly thereof prior to disclosure to the extent lawfully permitted to do so; (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, in which case, the Administrative Agent, the Lenders and the Issuing Lenders agree to inform the Borrower promptly thereof prior to disclosure to the extent lawfully permitted to do so; (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same as those of this Section 12.9, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement, or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder; (g) to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the Facilities or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Facilities; (h) with the consent of the Borrower; or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 12.9, or (y) becomes available to the Administrative Agent, any Lender, any Issuing Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower other than as a result of a breach of this Section 12.9. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent and the Lenders in connection with the administration of this Agreement, the other Loan Documents, and the Commitments.

For purposes of this Section 12.9, "Information" means all information received from Holdings or any of its Subsidiaries relating to Holdings or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or any Issuing Lender

on a nonconfidential basis prior to disclosure by Holdings or any of its Subsidiaries; provided that, in the case of information received from Holdings or any of its Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 12.9 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) Sharing Information With Affiliates of the Lenders. Each Loan Party acknowledges that from time to time financial advisory, investment banking and other services may be offered or provided to the Borrower or one or more of its Affiliates (in connection with this Agreement or otherwise) by any Lender or by one or more Subsidiaries or Affiliates of such Lender and each of the Loan Parties hereby authorizes each Lender to share any information delivered to such Lender by such Loan Party and its Subsidiaries pursuant to this Agreement with any such Subsidiary or Affiliate of the Lender subject to the provisions of Section 12.9(a).

12.10 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, and any separate letter agreements with respect to fees payable to the Administrative Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof, including any prior confidentiality agreements and commitments. Except as provided in Article 7, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or e-mail shall be effective as delivery of a manually executed counterpart of this Agreement.

(b) Electronic Execution of Assignments. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

12.11 CHOICE OF LAW; SUBMISSION TO JURISDICTION; WAIVER OF VENUE; SERVICE OF PROCESS; WAIVER OF JURY TRIAL.

(a) Governing Law. This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly specified therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of New York. Each standby Letter of Credit issued under this Agreement shall be subject, as applicable, to the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce (the “ICC”) at the time of issuance (“UCP”) or the rules of the International Standby Practices (ICC Publication Number 590) (“ISP98”), as determined by any Issuing Lender, and each trade Letter of Credit shall be subject to

UCP, and in each case to the extent not inconsistent therewith, the Laws of the State of New York without regard to its conflict of laws principles.

The Borrower and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, any Lender, any Issuing Lender, or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, any Lender or any Issuing Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or any other Loan Party or its properties in the courts of any jurisdiction.

(b) Waiver of Venue. The Borrower and each other Loan Party irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in Section 12.11(a). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Service of Process. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 12.5. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable Law.

(d) WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 12.8(d).

12.12 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(i) the effects of any Bail-In Action on any such liability, including, if applicable:

(ii) a reduction in full or in part or cancellation of any such liability;

(iii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(b) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

12.13 USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies Loan Parties that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of Loan Parties and other information that will allow such Lender or Administrative Agent, as applicable, to identify the Loan Parties in accordance with the USA PATRIOT Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act.

12.14 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Lender Provided Hedge Agreements or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than

such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 12.14, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b), (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).
